

## An Important Update from the RHC

The Roberto Hernández Center is dedicated to serving UWM students and our Milwaukee community. We recognize that the past week has been filled with changes and new challenges as classes move online for the rest of the Spring 2020 semester. We are learning more each day about the current public health situation regarding COVID-19 and we want to remind students to be checking their UWM email daily for updates from campus officials. We will provide updates on our own events and office hours as time goes on. *Please keep an eye on our website, social media, and your UWM email for updates from the Roberto Hernández Center.*

**Please see the most recent updates from campus officials [HERE](#)**

Due to the changes across campus, and to further do our part to protect the health of our students and employees, our office in Bolton Hall 183 is closed until further notice as we continue to follow the guidelines put forth by city, state and CDC officials.

**For translated COVID-19 information, please see our [Facebook Page](#) & [Ayuda Mutua MKE - Coronavirus](#)**

We wish to reassure you that all RHC staff are working remotely and have access to email. We are working hard to serve students that use our office's services using alternative methods such as phone- and Microsoft Teams video-appointments. We are also looking at alternative ways to engage our students on social media; offering study tips for working remotely, mental and physical health resources and information, and other ways to set students up for success during the Spring 2020 semester.

**Please read more about Microsoft Teams [HERE](#), as it will become valuable to students during this time**
