

## Service Animal Laboratory Inquiry Form - Laboratory Safety Settings

This document is intended to establish a guidance for the handler, their laboratory instructor(s), and US&A regarding the service animal in the laboratory setting. Since each laboratory environment presents different environmental barriers, this agreement applies only to the laboratory environment specified below. A handler will need to complete a laboratory inquiry form for each laboratory course for which they are enrolled.

Student name:	
Date:	
e-Mail:	
Semester/ year	
Course Name/ numbers	
Faculty Instructors(s)	
Building /Rooms	
Service Animal Name	
Service Animal Description (Breed, weight, etc)	

### Questions: \* denotes optional questions

Is the Service animal required because of a disability?	
What work or task has the service animal been trained to perform?	
How does the service animal alert? * (Examples: Bark, nudge)	
What should the instructor do if the service animal alerts? *	
Is the service animal always required in the lab? *	

<p>If you need the animal to be with you only under certain circumstances, what are those circumstances? *</p>	
<p>If the service animal is restricted from a laboratory environment, does the service animal need to be contained elsewhere? *</p>	
<p>What are some alternate accommodations that address barriers to access in laboratory settings if service animals are not permitted or desired (by the handler)? *</p>	
<p>Additional Notes:</p>	

## Service Animal Laboratory Guidance

*This document is intended to establish a guidance for a handler, their laboratory instructor(s), and US&A regarding the service animal in the laboratory setting. Since each laboratory environment presents different environmental barriers, this guidance applies only to the laboratory environment specified below. A handler will need to complete a laboratory agreement for each laboratory course for which they are enrolled. The intent is to keep the handler, service animal and instructor prepared and safe while in the lab.*
