

LABOR RELATIONS CERTIFICATE

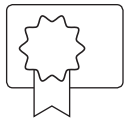

Who Should Attend

Individuals who are responsible for working with the union at their companies, as supervisors or as members of the bargaining team. The courses are appropriate for experienced labor specialists as well as for individuals who are new and want to learn the laws and processes around labor relations.

Learning Outcomes

- Gain relevant and up-to-date information on labor relations at an accredited university from instructors with decades of experience
- Benefit from a curriculum that includes lecture, case studies, simulated bargaining, and conversations with other labor relations specialists from around the country
- Walk away with new knowledge that will help you achieve your goals in working with the union

Certificate Requirements

Complete 3 core courses and 2 elective courses within three years.

How to Start

Start your certificate by selecting courses listed on the back of this page. Register for courses online at uwm.edu/sce/lr-cert or call **800-222-3623**.

About the Certificate

You'll gain the skills and insights needed to manage effectively in a union environment through individual courses and the Labor Relations Certificate.

For the human resources professional, labor relations represents the hardware of the profession. Labor relations is different not only from other human resources functions, but from other operating functions as well.
