

# PROJECT MANAGEMENT – ADVANCED CERTIFICATE

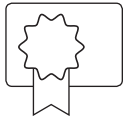

## Who Should Attend

Experienced project management professionals who have completed UWM's Project Management Certificate or Project Management Certificate – Online Track or who have a Project Management Professional (PMP®) Certification from Project Management Institute® (PMI®).

## Learning Outcomes

- Advance knowledge in technical project management techniques and concepts
- Develop skills in software commonly used in project management
- Understand how to organize and lead teams in multiple projects, lean or agile environments
- Develop soft skills critical to project success
- Earn Professional Development Units (PDUs) recognized by Project Management Institute® (PMI®) that will help you meet requirements for taking or renewing PMI® certifications

## Certificate Requirements

After earning the UWM PM Certificate or PMP®, complete 4 additional courses from those listed on next page.

## How to Start

Start your certificate by selecting courses listed on the back of this page.  
Register for courses online at [uwm.edu/sce/pma-cert](http://uwm.edu/sce/pma-cert) or call **800-222-3623**.

**Courses fill quickly. Register today!**

## About the Certificate

Stay on top of the project management profession by advancing your skills, earning Professional Development Units (PDUs) accepted by the Project Management Institute® (PMI®) and maintaining your certifications.

UWM's Project Management Certificate – Advanced is designed for experienced project managers who want to continue to add value to their organizations and advance their careers.

Project Management Institute® (PMI®) research shows that companies want project managers who excel in technical project management skills, leadership, business acumen and strategy. Visit [pmi.org](http://pmi.org) continuing certification requirements page for more information and learn the PDUs for each UWM course.

Pursue the advanced certificate in project management, or take any individual courses that meet your specific needs.
