## DATA DISCUSSION WITH ANALYST, BRENDON DORN

The UWM School of Continuing Education will host a meeting of the IIBA Southeast Wisconsin Chapter on May 17. During the meeting, SCE instructor Brendon Dorn will give a presentation titled "Analytics, Predictions and Uncertainty." This accessible look at data, analytics and metrics will help BAs of all levels think about what businesses should measure and how to use the information they collect.

Anne O'Meara, Program Director of Business Analysis and Project Management at UWM SCE, recently sat down with Brendon to learn more. Check out their Q&A here.
