

PROJECT MANAGEMENT ROADMAP

SCHOOL OF CONTINUING EDUCATION

Save \$350
when you register for the last course in your Project Management Certificate.

Follow this easy-to-use guide to set up your certificate program or select courses based on specific needs. You'll save time, money and have a plan. To view the Project Management Certificate-Online Track, see pg. 6 & 11.

Project Management Certificate

Earn the certificate by completing seven two-day courses with a minimum of five core courses. Project Management Foundations is a required course. *Any one-day course counts as a .5 course toward your certificate.*

Project Management Certificate - Advanced

Earn the certificate by completing four additional courses of advanced training after earning your PM Certificate, PM-Online Certificate or PMP® Certification. *Courses for the Advanced Certificate are distinguished by the plus sign (+).*
