

Registration Materials

1. **Participant's Agreement:** All participants must read and sign the [Participant's Agreement](#) to best understand the training experience. This document also indicates you give consent to participate in the exercises and understand the material you will be exposed to. Being fully informed and prepared will ensure a richer experience for you and the other participants. The Agreement will outline the training experience and assist the participant to prepare him/herself for the training. The signed Agreement must be submitted with the other Registration materials.
2. **Clinical Supervisor Agreement:** In addition to the Participant's Agreement, Graduate Students and Registered Interns are required to have their supervisor complete the **Clinical Supervisor Agreement**. Mastering EMDR therapy requires practice. The opportunity to immediately immerse oneself in practicing EMDR helps build mastery. Without practice, mastery cannot be achieved. All Graduate Students and Registered Interns must submit the signed [Clinical Supervisor Agreement](#) with the other Registration materials.
3. Ensure your schedule will allow you to participate in both training, fully.
4. Wear comfortable business attire and bring layers of clothing, due to temperature irregularities.
5. Due to chemical sensitivities, you are encouraged to not wear perfumes/colognes.
