### Parent Partner Classes (Grades K5-2)

Parent Partner Classes are designed to help each adult bond with his/her child through fun, age-appropriate activities that foster child development. The class is structured so that parent and student take part in a group lesson led by the instructor followed by planned activity centers and finishing with a group discussion or a campus hike before returning to the Union. These classes are offered for grade K5-2 students during our one-week Discovery Camps during the 9-11am and 11:30am-1:30pm class offerings.

**Cost: \$135 per class**

*Please, only one adult (18 years or older) per child due to classroom space. NO unregistered children may attend (this includes siblings).*

*All classes are highlighted in our at-a-glance section with an asterisk\* and in our course descriptions as follows - \$135\* (Parent Partner Class).*
