

Women LEADERS CONFERENCE

Keynote Speakers

CAREY LOHRENZ

Opening Keynote, 9:15am

Carey Lohrenz knows what it takes to win in one of the highest pressure, extreme environments imaginable: in the cockpit at Mach 2. As a female F-14 Tomcat fighter pilot in the U.S. Navy, she was a pioneer in military aviation. A UW graduate and author of “Fearless Leadership: High-Performance Lessons from the Flight Deck,” Carey Lohrenz returns to Wisconsin to share her experience operating in one of the world’s most challenging environments.
