

Set Yourself Up for Success!

Career Building Professional Development

In partnership with MindEdge, UWM is offering career-building professional development courses designed to assist you as you start out in the workforce or change careers. From résumé writing to interviewing, networking to managing personal finances, these online courses teach professionals the essential skills that are in demand in today's workforce.

Register for any of the six courses below, or sign up for all six courses at once with the bundle package.
