

# TRAUMA IN OUR COMMUNITY

## HEALING TRAUMA AS A PUBLIC HEALTH PRIORITY

**Mark Your Calendars! June 27, 2024**

**Hyatt Regency, Milwaukee, WI and Live Online**

- Be Inspired by **Dr. Deborah Prothrow-Stith**, a national keynote speaker, on the topic of community violence as a public health concern.
- Choose from nine insightful breakout sessions focused on **promoting resiliency in public health, tailoring approaches to populations served** and **exploring new healing methods**.
  - **Network** with like-minded and caring professionals near and far.
  - **Learn from local and regional experts** about specific strategies that can be used across the human services arena.
- Leave ready to **create a more connected and compassionate society**, encouraging healing and resilience for individuals and communities alike.

**Attend live or access it virtually  
through the Webex Conference app**

**Earn continuing education units  
or hours through attendance**

CEUs: 0.6 • CEHs: 6.0

**Exciting keynote speaker plus nine  
informative and engaging sessions**
