CAR PICK-UP PROCEDURES

Car pick-up procedures are in place for the safety of all involved. CFK&T families must follow if they choose to get in the pick-up line. **We highly recommend picking up during the following times: 11-11:20 a.m., 1:30-1:50 p.m., and 4-4:20 p.m. The circle drive will be clearer during these times.**

- Please be patient as the children’s safety is our number one priority. We will try to move cars as quickly as possible. It usually takes around 15 minutes to clear the entire area. CFK&T staff will work to ensure the process is safe and efficient for everyone. Our focus will be on the safety of the children, so while our directions may be brief, they are given a smooth and safe process.
- Parents/Guardians have the opportunity to pick up their child(ren) at the Circle Drive at 2512 E. Hartford Ave.
- Vehicles enter the Circle Drive at the East Entrance near Downer Ave.
- The first set of vehicles that arrive can park on the outside lane until your child arrives. Please do not leave your vehicle, as the car must keep moving forward as cars leave.
- We ask that vehicles move as far forward in this lane as possible and continue to move forward every time a car leaves.
- Please note that you cannot park in the inner lane.
- If your child(ren) is not present, you **MUST** move through the semi-circle and come back around. Parking attendants will be helping us keep this lane clear.
- We cannot block the sidewalk or bus stop areas. If your child(ren) is wearing an Orange Wristband and has been given permission to be left unattended, they may meet you at another location away from this pick-up area.
- **We are requesting that you approach the circle-driven entrance from the northeast on Downer Avenue.** Please take caution not to block the intersection or buses.

We appreciate your cooperation and teamwork to ensure the safety of our participants.
