While it is harmless and inoffensive to change non-memorial names, it is very poor public policy to honor an individual by attaching his/her name to a facility only to change the naming later on. *The committee may solicit and accept written submissions and hold public hearings to determine campus community consensus.* The Subcommittee shall consider both monetary and non-monetary costs associated with and the benefits that would accrue to the University from the proposed name. The chair of the Campus Facility Naming Subcommittee or his/her designee shall provide a detailed report of facility naming recommendations to the Physical Environment Committee as directed.

b) The committee of the subcommittee, or designee, shall provide a detailed report of the facility naming recommendations to the Physical Environment Committee at a regularly scheduled meeting.
