Note:

Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may not be entirely accurate. This program is not an official university document, and does not constitute that those whose names appear have completed degree requirements.

GREETINGS FROM THE CHANCELLOR

Welcome to the 108th University of Wisconsin-Milwaukee Commencement.

This is the day to recognize the academic effort and personal commitment put forward by our graduating students. As you look around, you can appreciate our need to use an arena of this size. We all look every bit like the university that enrolls more Wisconsin residents than any other.

The work of a university and how it influences students is often considered to conclude when students finish their studies. At UWM, we are working to change that perception. Many members of our faculty and staff are involved in partnerships with area businesses, industries, non-profit agencies and educational institutions that are leading to more jobs throughout the region for our students after they graduate. We're also encouraging new levels of innovation and entrepreneurship among our faculty, staff and students to support their efforts to create new companies and, again, create more jobs. The university's role in the community evolves constantly, and UWM embraces the challenge of keeping up with the changes needed to support the region.

On behalf of the UWM faculty and staff, I congratulate all of today's graduating students. They are the first members of our Class of 2013. When combined with those who will follow in December, the Class of 2013 may be the first to exceed 5,500 students. An academic degree brings newfound opportunities and benefits to both the recipient and the wider community. I know all of us gathered here celebrate our students' accomplishments today, and, because of their achievements, we look forward to a brighter tomorrow.

A handwritten signature in black ink, which appears to read "M. Lovell". The signature is written in a cursive, flowing style.

Michael R. Lovell
Chancellor

THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.

A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher’s college.

Some important dates:

- 1885** Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
- 1892** University of Wisconsin offers day and evening classes in Milwaukee
- 1909** With the completion of a new Milwaukee Normal School building (today’s Mitchell Hall) the campus moves to its present location
- 1920** The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
- 1927** Normal school becomes Milwaukee State Teachers College with 4-year degree
- 1928** UW Extension opens Milwaukee Center downtown
- 1951** Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
- 1956** WSC & UW Milwaukee Extension merge to form UWM
- 1961** The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
- 1963** UWM offers first PhD degree, in mathematics
- 1964** UWM buys Milwaukee-Downer College buildings, expands campus
- 1965** UWM purchases the 6.3-acre Milwaukee University School campus
- 1970** Three residence towers, collectively called Sandburg Halls, open for student housing
- 1988** UW System designates eight Centers of Excellence at UWM
- 1995** Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
- 2000** UWM awards diploma to 125,000th graduate;UWM named among top 102 public doctoral research universities in nation
- 2001** Governor announces honors academy at UWM
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men’s basketball team advances to Sweet 16 in NCAA Tournament.
- 2006** \$100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men’s and women’s basketball teams both advance to NCAA Tournament.
- 2008** Campaign for UWM is completed more than a year early with \$125 million pledged to the university.
- 2010** The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the '30's, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 94 undergraduate programs, 53 masters and 32 doctoral degrees.

CHANCELLOR'S MEDALLION

The medallion for Chancellor Lovell was created by a team of Peck School of the Arts faculty and students. The front is a map of the East Side campus, the mechanical back opens to reveal the chancellor's name, and the chain is made up of panther claw-inspired links.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an "Intercollegiate Code" established design and color criteria. The bachelor's gown has long, pointed sleeves and is designed to be worn closed. The master's gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor's gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

BLUE VIOLET—Architecture	PEACOCK—Human Resources & Labor Relations
WHITE—Art	LEMON—Library & Information Science
BROWN—Art/Dance/Drama	PINK—Music
BEIGE—Business Administration	APRICOT—Nursing
LIGHT BLUE—Education	GOLD—Science
ORANGE—Engineering/Computer Science	CITRON—Social Work/Criminal Justice

Honors: The gold cord, worn by some of the bachelor's degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor's degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor's Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

Marshals wear the gold cap and gown. They are responsible for leading the degree candidates in the processional marches and for keeping order throughout the ceremony.

BLACK COMMENCEMENT CEREMONY SPEAKER & HONORARY DEGREE RECIPIENT

JOHN GURDA

Author, Historian, and Broadcaster

Honorary Doctor of Milwaukee History and Geography

Escorted by: Dean Rodney Swain, College of Letters and Science

JOHN GURDA an alumnus of University of Wisconsin-Milwaukee (M.A. Cultural Geography), has cultivated, since 1972, an admirable career as the renowned premier historian of Milwaukee. He has authored at least nineteen books. He is best recognized for *The Making of Milwaukee*, the basis of an Emmy-award winning documentary produced by Milwaukee Public Television. Mr. Gurda's contributions to the legacy of the City of Milwaukee are highly regarded locally and nationally.

Mr. Gurda's achievements include more than 40 years of historical writings and work in public broadcasting. He has been a recipient of the *Wisconsin Historical Society's* Award of Merit eight times. This award recognizes outstanding historical work that helps connect individuals to the past. Undeniably, Mr. Gurda has effectively communicated a "sense of place" to his readers through his extensive collection of publications. He is a highly sought after authority on Milwaukee's history. UWM administrators and policy analysts who participate in collaborative endeavors with local public and private agencies have used his vast knowledge of the city's history.

The many awards he has received over the years, including the prestigious Emmy Award for best historical documentary in 2007, have recognized Mr. Gurda's accomplishments. In 2010, Mr. Gurda received the C.R. Conlee Community Service Award from the Milwaukee County Historical Society. Every year since 1954, the Milwaukee County Historical Society has honored individuals, community organizations and business that have worked diligently to preserve and promote local history. As several letters of recommendation confirmed, Mr. Gurda's efforts are extremely significant to preserving the City's past. Clearly his promoting a greater appreciation of the City's history has led to a better understanding of the issues and challenges of today's City.

Mr. Gurda is a patron and benefactor of the UWM Libraries. Over the years he has used the Libraries for research for various projects including his TV series, *The Making of Milwaukee*, based on his monumental book by the same title. Mr. Gurda recognizes the national and international value of UWM's Libraries and has actively supported it, specifically the American Geographical Society Library. Yet again, his status as a well-respected historian is evidenced by the high demand for his publications at the Libraries.

Mr. Gurda has contributed to the intellectual life of the University of Wisconsin-Milwaukee, as a supporter of UWM Libraries and a guest lecturer in numerous university courses. Certainly, he has become synonymous with the title "historian of Milwaukee". Granting Mr. Gurda an honorary degree is a most suitable recognition of his prolific and sustained service to the university and Milwaukee community.

GOLD CEREMONY COMMENCEMENT SPEAKER & HONORARY DEGREE RECIPIENT

MARIANNE LUBAR

Arts Visionary, Philanthropist, and Leader

Honorary Doctor of Leadership in the Arts

Escorted by: Interim Dean Scott Emmons, Peck School of the Arts

MARIANNE LUBAR's contributions span numerous arts and cultural disciplines. She holds a stellar reputation as a leader, champion, philanthropist, advisor, and sustainer of arts and culture in Milwaukee. Mrs. Lubar's inexhaustible passion for the arts has made a remarkable impact on UWM students, faculty, staff, and alumni as well as the Milwaukee community. Her efforts are recognized in higher education, arts organizations, and community cultural institutions.

Mrs. Lubar is a visionary who has countless accomplishments, many that have helped sustain Milwaukee's cultural and arts community. Mrs. Lubar was the first woman to serve as President of the *Florentine Opera's Board of Directors*. Her leadership led to greater artistic and financial stability and resulted in the hiring of the Opera's General Director, William Florescu. Likewise, she is the Founding President of the *Jewish Museum Milwaukee*, where she worked to open this vital facility that showcases the legacy of the Jewish community in Milwaukee and increases awareness and appreciation of Jewish life and culture.

As a life-long learner, Mrs. Lubar chaired the Friends Renovation Task Force for the UWM Libraries (formerly UWM Golda Meir Library). Yet again, her unrivaled devotion to the project of transforming the library's first floor into a dynamic learning environment has impacted the lives of the many students that the library serves. Mrs. Lubar's involvement and deep commitment was also instrumental in the growth and sustainability of the *Milwaukee Art Museum*, *UWM Fine Arts Quartet* and the *Milwaukee Film Festival*. Today, she remains actively engaged with the organizations that she once served in leadership roles.

Mrs. Lubar's leadership and commitment in the arts community have been recognized by honors she has received over the years. In 2002, she and her husband, Sheldon Lubar, were awarded the Governor's Award in the Support of the Arts which celebrates exceptional supporters, leaders, and organizations that make Wisconsin a primary cultural resource for its citizens. She also received the Benjamin Franklin Award given by the *Milwaukee Public Library Foundation* for her significant contributions to the community and the cause of life-long learning. More recently, in 2012, Mrs. Lubar was bestowed with the Jewish Museum Milwaukee's "Spirit of Community" award for her continuous support of the arts and cultural education. In receiving these awards, Mrs. Lubar's immeasurable dedication to the arts and culture of Milwaukee is affirmed.

As a strong and steady supporter of the arts, Mrs. Lubar has helped Milwaukee become a prominent metropolitan area, which attracts businesses, students, and human capital. Her work as an advocate for the arts and cultural heritage has strengthened the quality and quantity of the arts in the City of Milwaukee and the surrounding areas.

GOLD CEREMONY COMMENCEMENT SPEAKER & HONORARY DEGREE RECIPIENT

ALLAN H. (BUD) SELIG

Commissioner
Major League Baseball

Honorary Doctor of Business

Escorted by: Dean Timothy Smunt, Sheldon B. Lubar School of Business

ALLAN H. (BUD) SELIG was elected as the ninth *Commissioner of Major League Baseball* in 1998 by a unanimous vote of the 30 Major League Baseball club owners. His sustained leadership and extraordinary accomplishments within major league sports have improved the game as well as the business of baseball. Mr. Selig reformed the game's economic structure that concentrated money in a few clubs to restore "hope and faith" to fans in all 30 markets regardless of size. As a result, Major League Baseball has achieved record levels of attendance and business performance over the last decade.

He has fashioned consensus for revolutionary changes in his tenure as Commissioner. Mr. Selig promoted and achieved changes in the game's structure including interleague play, revenue sharing, and consolidation of the league's administrative functions. This included three-division formats in the American and National Leagues, with extra tiers of playoffs and Wild Card formats, instant replay, and promoted new ball parks in 20 markets.

A native of Milwaukee, Mr. Selig is perhaps best known and beloved in Wisconsin as the person who returned Major League Baseball to his hometown after the *Milwaukee Braves* left Milwaukee for Atlanta in 1965. On April 7, 1970, under Mr. Selig's leadership, the *Milwaukee Brewers* played their first game at Milwaukee County Stadium. In the 1990s, Mr. Selig led a successful effort to build Miller Park, the \$295 million stadium that replaced Milwaukee County Stadium. In 2005, the Brewers were sold, ending Mr. Selig's 35-year relationship with the club. Nevertheless, Mr. Selig remains a resident of Milwaukee and of course, the Commissioner of Major League Baseball.

Under Commissioner Selig's guidance, Major League Baseball became a founding donor of *Stand Up 2 Cancer*, which supports groundbreaking cancer research. Mr. Selig is also a founder of *Athletes for Youth*.

Mr. Selig's relationship with the Milwaukee region remains strong. He is the co-founder of the Child Abuse Prevention Fund; a member of the Greater Milwaukee Committee, the Business Advisory Council of the Lubar School of Business, the Board of Visitors for the La Follette School of Public Affairs, and the Department of Political Science at UW-Madison. He is active in the Boys and Girls Clubs of Greater Milwaukee and the Milwaukee Art Museum.
