

*University of Wisconsin-Milwaukee*

Physical Environment Committee

19 February 2014

Lubar 440

8:30 a.m. – 10:00 a.m.

MINUTES

- I. Call to Order. The meeting was called to order at 8.35 a.m.
- II. Approval of Agenda and Minutes
  - A. Approval of Agenda. The agenda was approved as submitted.
  - B. Approval of Minutes of 29 January 2014. The minutes were approved as submitted.
- III. Old Business
  - A. UWM as a ZERO DISCHARGE ZONE. James Wasley (SARUP), presented information on spiral gardens and the cistern system under construction. This project began in 2006 as the Pavilion Gateway Project with funding support through multiple partnerships. Please see: [www.cp.uwm.edu/projects](http://www.cp.uwm.edu/projects)
  - B. Transportation Subcommittee.
    - i. Yevgeniya Kaganovich presented information regarding the activities of the Transportation Subcommittee at its last meeting: reviewed financial information regarding parking and transit; discussed the possibility of a cell phone system to replace in car meters which are being phased out; reviewed request from L&S faculty and staff in the NWQ for parking space; discussed the parking survey and their efforts to have better returns on the survey.
    - ii. Campus Transportation and Parking Study Presentation. Jason Schreiber of Nelson Nygaard presented information on the parking and transit study being conducted. The UWM Parking & Transit survey is critical to the consultant; committee members were asked to respond and encourage their colleagues to respond.  
<https://uwmmoves.wordpress.com>  
Question was asked regarding parking access for the disabled; discussion took place on options including those in use at other UW campuses (e.g., service that would take individuals to their buildings from a parking site). Additional information may be found at: <http://www4.uwm.edu/parking/>. The PowerPoint from the Nygaard presentation is available at <http://www4.uwm.edu/uap/links/upload/UWM-Existing-Cond-to-PEC-021914.pdf>
  - C. Update on Campus Space Committee. Geoff Hurtado presented a Space Request Process document which reflects a more linear process (will be posted at SOU website along with these minutes).

IV. New Business

- A. Energy Report. Kate Nelson presented information on the campus's energy use noting that there is a 27% reduction in energy use on campus. The report is available at: <https://www4.uwm.edu/secu/faculty/standing/pec/minutes/13-14.cfm>
  - B. Southwest Quadrant Presentation. Bill Gustafson and Steve Bartell of Ballinger Architects presented information on the first round of the planning process for developing the Southwest Quadrant (SWQ). Their PowerPoint presentation is available at: <http://www4.uwm.edu/uap/links/upload/SWQuad-PEC-2-19-2014.pdf>
- V. Announcements/Other  
February-May meetings in Lubar 440
- VI. Adjournment. The meeting was adjourned at 10 a.m.
