## GREETINGS FROM THE CHANCELLOR

---

Welcome to the 118th University of Wisconsin-Milwaukee Commencement.

This is the day to recognize our graduating students' academic efforts and remarkable personal commitment. As you look around, you can appreciate our need for two ceremonies in a venue the size of the UWM Panther Arena.

In celebrating our graduates, we also look to these outstanding individuals with a great sense of anticipation. At some campuses, the work and impact of a university is viewed as complete when students graduate. This is not the case at UWM. Our students, alumni, faculty and staff are engaged in lifelong research, critical thinking and collaboration with businesses, industries, non-profit organizations, and other educational institutions in the region and across the globe. These partnerships drive innovation and create jobs for our students after they graduate. They have set the bar higher for new levels of cooperation, innovation and entrepreneurship. An academic degree brings newfound opportunities and exceptional value to both the recipient and the wider community.

On behalf of the UWM faculty and staff, I congratulate all of today's graduating students. When combined with those who will follow them in December, the Class of 2018 is an impressive 5,000+ students.

To all our guests here to witness today's event, I thank you for supporting your adult child, relative, spouse, partner, or friend. And to all our graduates, I offer my best wishes in all your endeavors. Please keep us posted on your many successes.

Best regards and congratulations,

A handwritten signature in black ink, appearing to read "Mark A. Mone".

Mark A. Mone  
Chancellor

## THE STORY OF THE UWM SEAL

---

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university's logo in the center and the years above the word "Milwaukee."

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters "UW" and "M," which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the "W" and the "M" to show the connection between the University of Wisconsin System and Milwaukee's university. The two wavy banners below the letters "UWM" show movement and suggest a continuum of education throughout one's life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school's name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.

## A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher's college.

Some important dates:

- 1885** Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
- 1892** University of Wisconsin offers day and evening classes in Milwaukee
- 1909** With the completion of a new Milwaukee Normal School building (today's Mitchell Hall) the campus moves to its present location
- 1920** The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
- 1927** Normal school becomes Milwaukee State Teachers College with 4-year degree
- 1928** UW Extension opens Milwaukee Center downtown
- 1951** Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
- 1956** WSC & UW Milwaukee Extension merge to form UWM
- 1961** The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
- 1963** UWM offers first PhD degree, in mathematics
- 1964** UWM buys Milwaukee-Downer College buildings, expands campus
- 1965** UWM purchases the 6.3-acre Milwaukee University School campus
- 1970** Three residence towers, collectively called Sandburg Halls, open for student housing
- 1988** UW System designates eight Centers of Excellence at UWM
- 1995** Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
- 2000** UWM awards diploma to 125,000th graduate;UWM named among top 102 public doctoral research universities in nation
- 2001** Governor announces honors academy at UWM
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men's basketball team advances to Sweet 16 in NCAA Tournament.
- 2006** \$100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men's and women's basketball teams both advance to NCAA Tournament.
- 2008** Campaign for UWM is completed more than a year early with \$125 million pledged to the university.
- 2010** The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.
- 2016** UWM is named a top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education. This honor includes UWM as one of 115 top-tier research universities among the nation's 4600+ institutions, and only one of two in Wisconsin.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the '30's, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 94 undergraduate programs, 53 masters and 32 doctoral degrees.

## CHANCELLOR'S MEDALLION

---

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, Associate Professor of Art and Design, after talking with Chancellor Mone about his vision for UWM's future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor's Medallion is full of symbolism specific to UWM.

## THE MEANING OF ACADEMIC REGALIA

---

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

**Styles and colors** had no particular meaning until 1895 when an "Intercollegiate Code" established design and color criteria. The bachelor's gown has long, pointed sleeves and is designed to be worn closed. The master's gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor's gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

**The academic hood** is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

BLUE VIOLET—Architecture	LEMON—Library & Information Science
WHITE—Art	PINK—Music
BROWN—Art/Dance/Drama	APRICOT—Nursing
BEIGE—Business Administration	SALMON—Public Health
LIGHT BLUE—Education	GOLD—Science
ORANGE—Engineering/Computer Science	CITRON—Social Work/Criminal Justice
PEACOCK—Human Resources and Labor Relations	

**Honors:** The gold cord, worn by some of the bachelor's degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (\*) is directly after the names of bachelor's degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor's Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

The black and gold stole worn by some undergraduate students, identifies our McNair Scholars, our future leaders who come from first generation and diverse backgrounds. These students have completed a selective and rigorous research program that prepares them to enter graduate school.

### PETER FEIGIN

President, Milwaukee Bucks, Inc.

**PETER FEIGIN** brings over two decades of dynamic corporate leadership to the Milwaukee Bucks, where he's charged with spearheading the next chapter of this storied team's legacy. His talents are the key to helping realize the Bucks' transformational vision: a championship team playing in a state-of-the-art, multi-purpose facility that will drive the creation of new partnerships, new jobs and a new sense of community for the city of Milwaukee and the state of Wisconsin.

Since taking over as President of the Milwaukee Bucks in October of 2014, Peter has completely reimagined, rebuilt and reenergized the team's business operations, resulting in substantial increases in attendance, ticket revenue, merchandise revenue, partnership sales and TV viewership. He has assembled a top-flight management team and instilled a new corporate culture marked by accountability, collaboration and fun. The Bucks were named one of Milwaukee's best places to work in 2015, and Peter's inspired and tireless leadership was recognized with his being named the Milwaukee BizTimes 2015 CEO of the Year.

Peter has also been instrumental in driving the vision, financing, planning, design and construction of a new multi-purpose arena for the state of Wisconsin, a new state-of-the-art training center for the Bucks, and 30 acres of mixed-use development surrounding the project that will seamlessly link with existing developments on all sides to create a vibrant, urban community in the heart of Milwaukee. He has worked tirelessly to ensure that this historic project will be catalytic to the economic development of both the city of Milwaukee and the state of Wisconsin.

Throughout his time in Milwaukee, Peter has devoted significant energy and effort to working within the Milwaukee community to accomplish important social and economic goals. Beyond spearheading the development and launch of the Milwaukee Bucks Foundation, he serves on the boards of the Boys & Girls Clubs of Greater Milwaukee and the Milwaukee Public School Foundation, chairs the American Heart and Stroke Association, and co-chairs the African American Chamber of Commerce and the COA Parents of the Year.

Peter's experience cuts across a wide spectrum of business and entertainment corporations, from the NBA to private aviation, and from digital media and motion pictures to theme parks. Prior to joining the Bucks, Peter served as the Chief Marketing and Revenue Officer of Deluxe Entertainment Services Group, a major international entertainment company, where he managed global business units and handled branding and business development. Prior to joining Deluxe, Peter was the President and Chief Operating Officer of Marquis Jet Partners Inc./NetJets, the world's leading private aviation company. Peter was the driving force behind Berkshire Hathaway's NetJets acquisition of Marquis Jet in 2010 and played a central role in the integration of the two companies. After transitioning post-merger to the same responsibilities at NetJets, he led the company to significant revenue growth.

From 1998 to 2004, Peter worked for the New York Knicks in a variety of roles culminating in his position as Vice President of Marketing. Under Peter's leadership, profits, season subscriptions and suite revenues increased significantly. From 1993 to 1998, he held sales and marketing positions with Six Flags Theme Parks which was then a Time Warner company.

Peter is a native New Yorker. He and his wife, Natalia, have two children, Alexandra and Thomas. Peter holds a bachelor's degree from Franklin and Marshall College and completed the University Of Chicago Booth School Of Business' Financial Executive Program.

### KENNETH A. GERMANSON

Journalist and Labor History Educator

#### Honorary Doctor of Humane Letters

*Escorted by:* David Clark, Interim Dean  
College of Letters and Science

**KENNETH A. GERMANSON** a longtime Milwaukee area labor leader, amateur historian and community activist, is a 1951 graduate of the University of Wisconsin – Madison, but he began his education at the old University of Wisconsin Extension Division, which offered a two-year program at several scattered and cramped sites in Milwaukee's downtown. At the time, there was no four-year public university in Milwaukee and he joined with other students in leading a "Mission to Madison" campaign to establish one; UWM was created in 1955.

After newspaper jobs in the Milwaukee area, Iowa and South Dakota and upon completion of his service in the Navy, Germanson returned to Milwaukee for a reporter's position at the old Milwaukee Sentinel, becoming active in Milwaukee Newspaper Guild Local 51.

After a brief stint as a magazine editor, he became a Staff Representative of State, County and Municipal Employees Union District Council 48, where he represented public workers from Milwaukee and several of its suburbs. In 1968, he joined the former Allied Industrial Workers Union (since merged into the Steelworkers Union), which had its headquarters in Milwaukee, eventually becoming assistant to the international president, retiring in 1992.

He then joined the staff of Community Advocates, Milwaukee's largest agency serving low-income families, where he joined efforts in preventing child abuse and neglect, providing health care to low-income families, and reducing gun violence in the city. He retired in 2016 at the age of 86.

In 1991, Germanson fulfilled his lifelong love of history when he became president of the Wisconsin Labor History Society. He now is President Emeritus and serves the Society as editor of its publications, event organizer and speaker. During his presidency, he was the leader of the campaign to get the state of Wisconsin to include the teaching of labor history in public schools.

Germanson was involved in many community activities, serving as president of the board of the former Planning Council for Health and Social Services, a founder and leader of Community 19, a neighborhood group formed in the troubled 1960s to improve racial relations in his Far South Side area, and also as a member of various other boards and committees.

His many awards include the Frank P. Zeidler Community Service Award (2014) of the City of Milwaukee; the Witness to History Award (2010) by the Milwaukee County Historical Society; the Eugene V. Debs Award of the Midwest Labor Press Association (1982), as well as numerous awards for his advocacy on health care issues of low-income families.

Currently, Germanson is active in several groups that advocate for racial justice and progressive causes. He is an occasional blogger, usually commenting on public issues or personal reflections. He and his late wife, Ann, raised their five children in a home they purchased 54 years ago on the city's South Side.
