

Review of Graduate Certificate Programs
Faculty Document XXXX
Graduate Faculty Committee Document 1360

Summary of revisions:

- 1) To align the graduate certificate program reviews with graduate program reviews as much as possible
 - a) a ten-year review cycle is proposed rather than a five-year review cycle.
 - b) the Graduate School will provide enrollment/completion data.
- 2) Propose deletion of a mid-cycle review and abbreviated self-study process.
- 3) The timeframe in the certificate review process is decreased from eight to six weeks and only one member of the Graduate Program Review Subcommittee is assigned to graduate certificate program reviews.
