MATH 231	Calculus and Analytic Geometry I	Prerequisites
MATH 240	Matrices and Applications	Prerequisites
MATH 341	Seminar: Introduction to the Language and Practice of Mathematics	Prerequisites

* GCC Denotes existing GER course requesting change(s)

C. Deleted Courses: None

D. GER and/or Cultural Diversity Distribution: None

E. Proposals Requesting Minor Program Changes:

1. Accounting, BBA
2. Biological Sciences, BA

3. Chinese, Minor
4. Classics, BA
5. College of Letters and Science, BA Degree Requirements
6. College of Letters and Science, BS Degree Requirements
7. Information Science and Technology, BS
8. Information Science and Technology, Minor
9. Italian, BA
10. Investment Management, Certificate

F. Curricular Area Change: None

G. Items Approved Since Last Meeting: None

V. Approval of the Minutes from the [December 11, 2018 APCC meeting](#)

Andrew Kincaid moved to approve the December 2018 minutes. Stuart Moulthrop seconded and the motion carried.

VI. Old Business: None

VII. New Business:

A. [Bachelor of Science in Environmental Engineering](#)

Nothing distinctive – good or bad – occupies the normal space that one would expect. Like biomedical engineering, environmental engineering may attract more female students.

Stuart Moulthrop moved to approve the Bachelor of Science in Environmental Engineering. Kevin Muse seconded and the motion passed unanimously.

B. [Versatile Voice Submajor](#)

The proposal is confusing as it makes several references to “new degree program,” when in fact, it is a new submajor.

Andrew Kincaid moved to approve the submajor with the recommended edits. Stuart Moulthrop seconded and the motion carried.

VIII. Adjournment. Kevin Muse moved to adjourn. Kim Pietsch seconded and the meeting adjourned at 7:50 a.m.
