ARTICLE I  PURPOSE AND RESPONSIBILITIES

The University Staff Codification Committee formerly the Bylaws Committee serves all university staff by reviewing bylaws of the University Staff Senate, University Staff Committee (formerly University Staff Council the executive committee of the Senate) and all Standing Committees of the University Staff Senate. In addition, they will review all policies and procedures before they go to proposed policies before they go to the University Staff Senate for final approval.

ARTICLE II:  MEMBERSHIP

The Committee is a 7-member body proportionally representing all University Staff at the University. 2 Members are elected in staggered three-year terms from the proportional distribution categories and one member at large.

ARTICLE III: MEETINGS

Scheduling: Regular meetings of committee will be decided by the committee. The Chair of the Committee or designee will report to the University Staff Senate on the committee’s activities. An annual written report is required of the committee to be submitted by the Chair to the University Staff Senate at its June meeting.

Attendance: Each member is expected to attend at least 50% of the regularly scheduled meetings. The committee will ask the University Staff Committee to replace any member who misses more than half of the consecutive meetings in a semester.

Leave of Absence: If a member knows he/she will not be able to attend meetings for a period of time, he/she may request a leave of absence from these assigned responsibilities. Leaves may be requested for up to one calendar year. The Chair of the University Staff Committee will appoint an eligible University Staff member, after consultation with the Nominations Committee, from the appropriate proportional distribution category to serve on the committee during the absence. Replacement members will have full voting rights and privileges. Members requesting a leave longer than one year are encouraged to resign from the committee.

ARTICLE IV. CHANGING THE BYLAWS

The bylaws may be changed by submitting changes to the Codification Committee for review and an affirmative vote of two-thirds of the Senate. The bylaws shall be reviewed at least annually by the committee and revised as necessary.
