GREETINGS FROM THE CHANCELLOR

Welcome to the 119th University of Wisconsin-Milwaukee Commencement.

This is the day to recognize our graduating students' academic efforts and remarkable personal commitment. As you look around, you can appreciate our need for the size of the UWM Panther Arena.

In celebrating our graduates, we also look to these outstanding individuals with a great sense of anticipation. At some campuses, the work and impact of a university is viewed as complete when students graduate. This is not the case at UWM. Our students, alumni, faculty and staff are engaged in lifelong research, critical thinking and collaboration with businesses, industries, nonprofit organizations and other educational institutions in the region and across the globe. These partnerships drive innovation and create jobs for our students after they graduate. They have set the bar higher for new levels of cooperation, innovation and entrepreneurship. An academic degree brings newfound opportunities and exceptional value to both the recipient and the wider community.

On behalf of the UWM faculty and staff, I congratulate all of today's graduating students. When combined with those who graduated in May, the Class of 2018 is an impressive 5,000+ students.

To all our guests here to witness today's event, I thank you for supporting your adult child, relative, spouse, partner or friend. And to all our graduates, I offer my best wishes in all your endeavors. Please keep us posted on your many successes.

Best regards and congratulations,

A handwritten signature in black ink that reads "Mark A. Mone". The signature is written in a cursive, flowing style.

Mark A. Mone
Chancellor

THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.

A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher's college.

Some important dates:

- 1885** Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
- 1892** University of Wisconsin offers day and evening classes in Milwaukee
- 1909** With the completion of a new Milwaukee Normal School building (today's Mitchell Hall) the campus moves to its present location
- 1920** The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
- 1927** Normal school becomes Milwaukee State Teachers College with 4-year degree
- 1928** UW Extension opens Milwaukee Center downtown
- 1951** Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
- 1956** WSC & UW Milwaukee Extension merge to form UWM
- 1961** The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
- 1963** UWM offers first PhD degree, in mathematics
- 1964** UWM buys Milwaukee-Downer College buildings, expands campus
- 1965** UWM purchases the 6.3-acre Milwaukee University School campus
- 1970** Three residence towers, collectively called Sandburg Halls, open for student housing
- 1988** UW System designates eight Centers of Excellence at UWM
- 1995** Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
- 2000** UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
- 2001** Governor announces honors academy at UWM
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men's basketball team advances to Sweet 16 in NCAA Tournament.
- 2006** \$100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men's and women's basketball teams both advance to NCAA Tournament.
- 2008** Campaign for UWM is completed more than a year early with \$125 million pledged to the university.
- 2010** The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.
- 2016** UWM is named a top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education. This honor includes UWM as one of 115 top-tier research universities among the nation's 4600+ institutions, and only one of two in Wisconsin.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the '30's, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 94 undergraduate programs, 53 masters and 32 doctoral degrees.

CHANCELLOR’S MEDALLION

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, Associate Professor of Art and Design, after talking with Chancellor Mone about his vision for UWM’s future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor’s Medallion is full of symbolism specific to UWM.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

BLUE VIOLET—Architecture	PEACOCK—Human Resources & Labor Relations
WHITE—Art	LEMON—Library & Information Science
BROWN—Art/Dance/Drama	PINK—Music
BEIGE—Business Administration	APRICOT—Nursing
LIGHT BLUE—Education	GOLD—Science
ORANGE—Engineering/Computer Science	CITRON—Social Work/Criminal Justice

Honors: The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

Audience please remain seated during Recessional

COMMENCEMENT CEREMONY SPEAKER

DR. EVE M. HALL

President and CEO

Milwaukee Urban League, Milwaukee WI

DR. EVE M. HALL serves as president and CEO of the Milwaukee Urban League. She is a native of Milwaukee, with work experiences in Wisconsin, Florida, and Washington, D.C. Previously, she served as the president/CEO of the African American Chamber of Commerce of Milwaukee, where she led the renewal of the organization.

While serving as president and CEO of the African American Chamber of Commerce, Hall raised the required match to launch a Revolving Loan Fund for diverse businesses, and secured over \$800,000 in funding support from highly respected local foundations, state government and corporations. Under her leadership, the chamber's community profile grew and influenced public awareness of the hamber, leading to representation on multiple committees and boards for the organization.

Hall also served as chief innovation officer for the Thurgood Marshall College Fund, where she spent 10 years in various national leadership roles impacting student retention and scholarships and university/school district partnerships promoting postsecondary education. Other past leadership roles include: vice president of public affairs for Family Service of Milwaukee; Milwaukee Public Schools School to Work administrator; director of Gov. Tommy Thompson's Milwaukee office, and learning disabilities teacher in Tampa, Florida. Along the way, she has had many professional and public service affiliations, including co-founder of the African American Women's Project Fund, created to support organizations that promote the well-being of women and girls. She presently serves on the University of Wisconsin System Board of Regents, MKE United Executive Committee, Regional Transit Leadership Council, Bronzeville Advisory Committee, Higher Education Regional Alliance, Governor's Task Force on Minority Unemployment, and other business/community committees.

Hall has been recognized by the Milwaukee Business Journal as a Woman of Influence in 2013, and one of 16 Business Executives to Watch in 2016, and a Powerbroker in 2017. In 2015, she was recognized as Woman Executive of the Year, by BizTimes for her work in reviving the chamber. Madison 365 listed Hall as one of 35 Most Influential Black Leaders in 2017. In 2018, Professional Dimensions presented her the Sacagawea Award for community leadership and contributions.

Dr. Hall earned a bachelor of science degree in educational psychology and an educational certification in learning disabilities from Florida A&M University, a master's in administrative leadership from the University of Wisconsin-Milwaukee, and a doctorate in educational leadership from Cardinal Stritch University. Dr. Hall is also a proud member of Delta Sigma Theta Sorority.

Known as a leader who builds and connects, Hall emphasizes excellence, professionalism, accountability, collaboration and communication. She is a sought-after presenter, using the skills she gained as a K-12 school teacher/facilitator and college/university instructor to motivate and inspire others to make a difference.
