

**Revisions to Academic Staff Standing Committee Bylaws**

**Rationale:** To ensure clarity and consistency in language, the Codification Committee recommends changing the last sentence in Article IV Amendments to the Bylaws to read as follows in all standing committee bylaws (Academic Staff Awards Committee, Academic Staff Committee, Academic Staff Hearing & Appeals Committee, Instructional and Research Academic Staff Review Committee, Nominations Committee, and Non-Teaching Academic Staff Review Committee) and adding it as the last sentence in the Codification Committee Bylaws:

ARTICLE IV AMENDMENTS TO THE BYLAWS

...Lastly, approved bylaw amendment(s) must be reported at the next General Meeting of the academic staff.
