I have received the request from the Peck School of the Arts to suspend admission to the Art Education, MS program. I understand that there are no students currently enrolled in the program, thus there is no need for a teach-out plan.

I concur and approve the suspension of admission to the Master of Science in Art Education effective Spring semester 2021.

From: Robert Grame, Associate Dean PSOA

To: Provost Johannes Britz

Re: Suspend Admission status for Master of Science in Art Education

The Peck School of the Arts is requesting that admission for the Master of Science in Art Education be suspended. This change is needed due to reductions in resources and faculty. Both the Department of Art & Design and the PSOA Curriculum Committee have approved placing the program on hiatus.

Please note, there are no students currently in the program.
