- B. Minutes of October 4, 2021 Meeting were approved as presented.

III. *Chair's Report.* M. Haigh reported D. Clark will attend the December 6th meeting to present Academic Forgiveness and Uniform Syllabus policies.

IV. *Unfinished Business.*

- A. Incomplete Grades (SAAP 1-13) – J. Puskar, Graduate School, expressed concerns about APC's recommendation to change SAAP 1-13 to include incompletes for graduate students. He noted an old version of SAAP 1-13 is listed and that nothing in the policy bars incompletes in S/U courses. His concerns entail course requirements are not clear, if student receives an Incomplete they are barred from graduating (students may still graduate with a U), and 3204 GFC 1348 extraordinary circumstances prevent student from finishing course requirements. After discussion, M. Haigh moved and W. Choi seconded to modify its recommendation from adding Incompletes for graduate courses to asking GFC to add clarifying language to 3204-GFC 1348. Motion passed unanimously.

V. *New Business.*

- A. Microcredentialing Report and Recommendations – P. King and L. Pedrick presented overview of the report and recommendations. APC offered feedback that clarity be provided that microcredentials are for credit.

VI. The meeting was adjourned at 2:02 pm
