3. Meeting schedule: we scheduled our next meeting for Dec 13, 8:30-9:30am
4. Campus Transportation update (Prasanna Nanda)
  - a. Updated slides were not available due to changes in accounting support.
  - b. Budgeted revenue: 3.8 million (down from over 5 million from 2 years ago).
  - c. Revenues are not expected to reach projections due to a wide variety of changes in how users engage with campus activities.
  - d. Expenses will also be under projections.
  - e. Parking deficit is expected to be \$150,000-200,000
  - f. A few instances of campus parking dissatisfaction were identified that led to some employees choosing off campus parking solutions.
  - g. A user survey was suggested to identify ways to raise satisfaction.

5. We held a discussion on ways to make campus more pedestrian friendly:
  - a. It was acknowledged we are all pedestrians at some point when we are on campus.
  - b. Bob Schneider shared an overview of what a “radically-welcoming campus pedestrian environment’ might look like and reminded us that UWM is part of larger urban systems. Bob, Kate Nelson, and Prasanna Nanda updated the committee on past, current, and future initiatives.
  - c. Campus has a lot of user and survey data.
  - d. We discussed the need for organization and documentation of the work of this committee so the work can be sustained as membership changes from year-to-year.
  - e. The committee needs to create goals around this topic.
  - f. The Student Association has a transportation committee. Steve White will work to find a contact so our committees can coordinate.
  - g. Homework for each member: “What does a pedestrian friendly campus look like to you?”
