(Provisions of Chapter 2 apply equally to all schools, colleges, and equivalent academic units unless specifically accepted herein.)

2.01 College and School Faculties

- (1) The University of Wisconsin-Milwaukee is organized into colleges each with its own faculty. A college is defined as an academic unit with a dean as its chief executive officer. Schools may be organized inside a college. Such schools are led by an associate dean of the college, appointed by the dean of the college. The faculty of such schools will have a subset of the college faculty, and membership in a school faculty carries with it membership in the college faculty.

As long as they are lead by a dean, the Lubar School of Business, the School of Freshwater Sciences, and the Graduate School shall be considered colleges.

(Document 3379, 02/17/22; UWM Administration approval, 03/16/22)

- (2) A college shall be created, substantially restructured, or discontinued with the approval of the Faculty Senate and the Chancellor, and subject to the approval of the Board of Regents. A school shall be created, substantially restructured, or discontinued with the approval of the Faculty Senate and the Chancellor. Prior to submission to the Faculty Senate, all proposals to create, substantially restructure, or discontinue college(s) or school(s) shall be sent to the University Committee for referral to the appropriate committees for their review and recommendations.

Guidelines for creating, substantially restructuring, or discontinuing a college or school have been developed by the Academic Planning and Budget Committee. Proposals to create, substantially restructure, or discontinue college(s) may originate at any level of the institution. Proposals to create, substantially restructure, or discontinue a school must originate in the college housing the school. The template for submitting such proposals to the University Committee is available from the Secretary of the University.

- (3) The dean is the chief executive officer of a college and must have been granted tenure rank upon recommendation by appropriate faculty bodies as a condition of appointment to this administrative position.
- (4) The dean of a college may delegate specific areas of responsibilities to appropriate associate or assistant dean's. Associate deans who hold responsibility for academic program and faculty personnel policies must have been granted tenure rank upon recommendation of appropriate faculty bodies as a condition of appointment to this administrative position.

2.02 Membership in College and School Faculties

- (1) The Faculty of each college consists of the Chancellor, the dean, and all members of the Faculty as defined in 1.01(1) who hold appointments in the college. In addition, the Faculty of each college may designate faculty members as defined in 1.01(1) who hold appointments in other colleges as voting members of its college. (The Faculty of the Graduate School is defined in 2.02(3).)

(Editorially revised, 5/31/13)

- (2) The Faculty of a school consists of the members of the Faculty of the college who are designated to hold appointments inside the school. (Document 3379, 02/17/22; UWM Administration approval, 03/16/22)

- (3) The Graduate School Faculty includes all voting members of the University Faculty as defined in 1.01(1)(a) who meet qualifications established by the Graduate Faculty Committee. The Graduate Faculty Committee shall obtain from each department a list with supporting evidence of its members who continue to meet these qualifications, by annual schedules established by the Graduate Faculty Committee. Nominations for additions or deletions from the list are submitted at the same time. Lists are submitted by Executive Committees which sponsor graduate work with copies to the Dean of the Graduate School, dean of the appropriate college, and chairperson of the Graduate Faculty Committee. The Committee periodically reviews submitted lists of members of the

faculty of the Graduate School and recommends to the Graduate Faculty Committee approval the names of individuals who meet the qualifications for categories of Graduate School Faculty membership.
