## GREETINGS FROM THE CHANCELLOR

---

Welcome to the 128th University of Wisconsin-Milwaukee Commencement where we are thrilled to be honoring our graduates. This is an extra special day to recognize and celebrate our graduating students' academic efforts, extraordinary resilience, and remarkable personal commitment.

This graduating class has risen above the challenges of a persistent pandemic. Yet they succeeded despite those unwelcome and difficult times. Believe me when I say that the class of 2023 will be saluted and celebrated like no other.

In celebrating our graduates, we also look to these outstanding individuals with great expectations. An academic degree brings newfound opportunities and exceptional value to both the recipient and society. Our world has changed and keeps changing. And these graduates' impact will change the world for the better. Our students, alumni, faculty, and staff are engaged in lifelong learning, research, critical thinking and collaboration with businesses, industries, non-profit organizations, and other educational institutions in the region and across the globe. These soon-to-be alumni have set the bar higher for new levels of cooperation, innovation, and entrepreneurship.

On behalf of the UWM faculty and staff, I congratulate all of today's graduating students. When combined with those who graduated last December, there are an impressive 5,000+ students who have achieved one of life's more significant milestones.

To all our guests, I thank you for supporting your adult child, relative, spouse, partner, or friend. And to all our graduates, I offer my best wishes in all your endeavors. We look forward to hearing about your achievements.

Best regards,

A handwritten signature in black ink that reads "Mark A. Mone". The signature is fluid and cursive, with "Mark" on the first line and "A. Mone" on the second line.

Chancellor

## THE STORY OF THE UWM SEAL

---

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university's logo in the center and the years above the word "Milwaukee."

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters "UW" and "M," which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the "W" and the "M" to show the connection between the University of Wisconsin System and Milwaukee's university. The two wavy banners below the letters "UWM" show movement and suggest a continuum of education throughout one's life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin Legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school's name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.

## A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher's college.

Some important dates:

- 1885** Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
- 1892** University of Wisconsin offers day and evening classes in Milwaukee
- 1909** With the completion of a new Milwaukee Normal School building (today's Mitchell Hall) the campus moves to its present location
- 1920** The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
- 1927** Normal school becomes Milwaukee State Teachers College with 4-year degree
- 1928** UW Extension opens Milwaukee Center downtown
- 1951** Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
- 1956** WSC & UW Milwaukee Extension merge to form UWM
- 1961** The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
- 1963** UWM offers first PhD degree, in mathematics
- 1964** UWM buys Milwaukee-Downer College buildings, expands campus
- 1965** UWM purchases the 6.3-acre Milwaukee University School campus
- 1970** Three residence towers, collectively called Sandburg Halls, open for student housing
- 1988** UW System designates eight Centers of Excellence at UWM
- 1995** Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
- 2000** UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
- 2001** Governor announces honors academy at UWM
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men's basketball team advances to Sweet 16 in NCAA Tournament.
- 2006** \$100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men's and women's basketball teams both advance to NCAA Tournament.
- 2008** Campaign for UWM is completed more than a year early with \$125 million pledged to the university.
- 2010** 2001 Governor announces honors academy at UWM
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men's basketball team advances to Sweet 16 in NCAA Tournament.
- 2006** \$100 million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men's and women's basketball teams both advance to NCAA Tournament.
- 2008** Campaign for UWM is completed more than a year early with \$125 million pledged to the university.
- 2010** The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.
- 2016** UWM is named a top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education. This honor includes UWM as one of 115 top-tier research universities among the nation's 4600+ institutions, and only one of two in Wisconsin.
- 2018** UWM retained top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education.
- 2022** For the third consecutive time UWM is named top-tier Research (R1) status and remains one of the top research universities in the nation. UWM is one of only 137 institutions of 3,298 nationwide to receive this ultimate recognition. By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the '30's, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.
- After World War II, the College was authorized to award four-year bachelor's degrees and, in 1951 became Wisconsin State College. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service. Since its founding, UWM has expanded its programs so that today its 13 schools and colleges offer 94 undergraduate programs, 67 masters and 37 doctoral degrees.

## **CHANCELLOR'S MEDALLION**

---

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, Associate Professor of Art and Design, after talking with Chancellor Mone about his vision for UWM's future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor's Medallion is full of symbolism specific to UWM.

## **THE MEANING OF ACADEMIC REGALIA**

---

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

**Styles and colors** had no particular meaning until 1895 when an "Intercollegiate Code" established design and color criteria. The bachelor's gown has long, pointed sleeves and is designed to be worn closed. The master's gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor's gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

**The academic hood** is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

|   |                                     |
|---|-------------------------------------|
| BLUE VIOLET—Architecture                    | LEMON—Library & Information Science |
| WHITE—Art                                   | PINK—Music                          |
| BROWN—Art/Dance/Drama                       | APRICOT—Nursing                     |
| BEIGE—Business Administration               | SALMON—Public Health                |
| LIGHT BLUE—Education                        | GOLD—Science                        |
| ORANGE—Engineering/Computer Science         | CITRON—Social Work/Criminal Justice |
| PEACOCK—Human Resources and Labor Relations |                                     |

**Honors:** The gold cord, worn by some of the bachelor's degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (\*) is directly after the names of bachelor's degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor's Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

The black and gold stole worn by some undergraduate students, identifies our McNair Scholars, our future leaders who come from first generation and diverse backgrounds. These students have completed a selective and rigorous research program that prepares them to enter graduate school.

### **PEGGY WILLIAMS-SMITH**

CEO and President of VISIT Milwaukee

**PEGGY WILLIAMS** - Smith is named the 2022 Executive of the Year by the Milwaukee Business Journal. Peggy Williams-Smith is a Milwaukee native and veteran of the hospitality industry who joined VISIT Milwaukee as the company's first female president and CEO in 2019. Under her direction, the company has launched exciting, dynamic marketing campaigns to increase economic impact to the community and elevate the city's reputation. Peggy's focus on strategic partnerships has deepened the company's local connections while developing a nimble team that is more responsive than ever to changes within the travel and hospitality industries.

This was none more apparent than during the pandemic when VISIT Milwaukee became the go-to source for information for the hospitality industry and the industry's No. 1 advocate on state and local levels. From gaining recognition in National Geographic magazine as one of the best places in the world for travel in 2023 to securing the 2024 Republican National Convention, Williams-Smith's strategic leadership has brought economic gains to Milwaukee for years to come. Prior to her work at VISIT Milwaukee, she worked for Marcus Hotels & Resorts for over 22 years and held leadership positions at varying levels throughout the division. Williams-Smith is a proud mentor of other women in business and uses her free time to support numerous charitable causes. She resides in Milwaukee with her husband, Tim Smith, their niece, Jocelyn and their Boston Terrier, Tito Fenway.

**MARY V. ALFRED** is Professor and Interim Department Head in the College of Education and Human Development at Texas A&M University. Her academic program is Adult Education and Human Resource Development, where she also serves as Executive Director for the Texas Center for the Advancement of Literacy and Learning. Dr. Alfred joined the faculty of Texas A&M University in 2006, and from 2009 to 2017, she served as Associate Dean and later Executive Associate Dean in the College of Education and Human Development. Prior to joining the faculty of Texas A&M University, she served as an Assistant Professor of Adult Education in the Department of Administrative Leadership at the University of Wisconsin-Milwaukee (1999-2004) and Associate Professor of Adult Education and HRD in the Department of Educational Leadership and Policy Studies at Florida International University (2004-2006). Dr. Alfred's research interests include international adult education; learning and development among women of the African Diaspora; sociocultural contexts of adult learning; social welfare and economic disparities among low-income and low-literate adults; and issues of diversity, equity, and inclusion in education and the workplace. She has published numerous articles which have appeared in both research and professional publication outlets. Dr. Alfred's authored/co-authored books and special issue journal publications include:

- *Advancing the global agenda for human rights, vulnerable populations, and environmental sustainability:  
adult education as strategic partner*
- *Black Lives Movement: Implications for anti-racist adult education*
- *Paradise to regain: Post-Obama insights from women educators of the Black Diaspora.*
- *Social capital and women's support systems: Networking, learning, and surviving*
- *Learning in sociocultural contexts: Implications for adults, community, and workplace education*
- *Immigrant women of the academy: Negotiating boundaries, crossing borders in higher education*
- *Immigrant learners in adult, post-secondary, and workplace education*

Dr. Alfred started her lifetime career as an educator in the Caribbean Island of St. Lucia, her island home. Upon migrating to the U.S., she took up residence in Texas, and later continued her journey as educator at Central Texas Community College where she served as faculty and program director in the area of workforce education for 18 years. Overall, Dr. Alfred's academic journey spans over 50 years, starting with elementary and secondary education in St. Lucia, followed by community college and university education in the U.S. She has received many recognitions along the way, notably the Commission of Professors of Adult Education Early Career Award, American Association for Adult and Continuing Education President's Award for Exceptional and Innovative Leadership in Adult and Continuing Education, the American Association for Continuing Higher Education Marlow Froke Award for Excellence in Professional Writing, and the Cyril O. Houle Scholars in Adult and Continuing Education Award. Dr. Alfred served as President Elect, President, and Immediate Past President of the American Association for Adult and Continuing Education (2019-2021). She was inducted into the International Adult and Continuing Education Hall of Fame in 2016.

Dr. Alfred received her doctoral degree from the University of Texas at Austin.

**PETER FEIGIN**

**PRESIDENT**

Milwaukee Bucks and Fiserv Forum

Milwaukee, WI

### **HONORARY DOCTOR OF BUSINESS**

**Escorted by:** Kaushal Chari, Dean  
Sheldon B. Lubar College of Business

Heading into his ninth year as President of the Milwaukee Bucks, and fifth year as President of the world-class Fiserv Forum, Peter Feigin brings more than two decades of dynamic corporate leadership to Milwaukee's sports and entertainment scene. His talents, hard work and dedication are the driving force behind the transformational vision for not only the Milwaukee Bucks and Fiserv Forum, but for the city of Milwaukee and state of Wisconsin.

Since taking over as president of the team in October of 2014, Peter has completely reimagined, rebuilt and reenergized the team's business operations, resulting in substantial increases in attendance, ticket revenue, merchandise revenue, partnership sales and TV viewership. He has assembled a top-flight management team and has nurtured a corporate culture marked by accountability, collaboration and fun. The Bucks were named one of Milwaukee's best places to work in 2015, 2016, 2017, 2018 and 2019 and Peter's inspired leadership was recognized with his being named the Milwaukee BizTimes 2015 CEO of the Year and his being named a Milwaukee Business Journal Power Broker in 2018, 2019, and 2020.

Peter's vision was instrumental in the financing, planning, design and development of Milwaukee's new 30-acre Deer District, which is anchored by Fiserv Forum, a \$524 million, 17,341-seat sports and entertainment venue in downtown Milwaukee that opened on Aug. 26, 2018, as well as the Froedtert & the Medical College of Wisconsin Sports Science Center, the Bucks' training facility. Continued development of best-in-class real estate developments, including a popular entertainment block with restaurants and bars, an upcoming hotel and apartment building, and two music venues is seamlessly linking Fiserv Forum to existing infrastructure to create a vibrant, urban community. Peter has worked tirelessly to ensure that this historic project contributes to the overall evolution of the city of Milwaukee and state of Wisconsin.

Throughout his time in Milwaukee, Peter has devoted significant energy and effort to working within the Milwaukee community to accomplish important social and economic goals. Beyond spearheading the development and launch of the Milwaukee Bucks Foundation, he serves on the boards of the Boys & Girls Clubs of Greater Milwaukee, the Milwaukee Public Museum, the Milwaukee Public Schools Foundation and City Year Milwaukee, while co-chairing the African American Chamber of Commerce and the COA Parents of the Year. In 2017, Peter served as the chairman of the American Heart and Stroke Association's annual campaign. Peter also joined the board of CEOs Against Cancer's Wisconsin chapter.

Peter's experience cuts across a wide spectrum of business and entertainment corporations, from the NBA to private aviation, and from digital media and motion pictures to theme parks. Prior to joining the Bucks, Peter served as the Chief Marketing and Revenue Officer of Deluxe Entertainment Services Group, a major international entertainment company, where he managed global business units and handled branding and

business development. Prior to joining Deluxe, Peter was the President and Chief Operating Officer of Marquis Jet Partners Inc./NetJets, the world's leading private aviation company. Peter was integral in Berkshire Hathaway's NetJets acquisition of Marquis Jet in 2010 and played a central role in the integration of the two companies. After transitioning post-merger to the same responsibilities at NetJets, he led the company to significant revenue growth.

From 1998 to 2004, Peter worked for the New York Knicks in a variety of roles culminating in his position as Vice President of Marketing. Under Peter's leadership, profits, season subscriptions and suite revenues increased significantly. From 1993 to 1998, he held sales and marketing positions with Six Flags Theme Parks, which was then a Time Warner company.

Peter is a native New Yorker. He and his wife, Natalia, have two children, Alexandra and Thomas. Peter holds a bachelor's degree from Franklin and Marshall College, from which he also received an honorary doctorate in 2022 and completed the University of Chicago Booth School of Business' Financial Executive Program.
