GREETINGS FROM THE CHANCELLOR

Welcome to the 129th University of Wisconsin-Milwaukee commencement, where we are thrilled to honor our graduates. This is an extra special day to recognize and celebrate our graduating students' academic efforts, extraordinary resilience and remarkable personal commitment.

In celebrating our graduates, we also look to these outstanding individuals with a great sense of anticipation. An academic degree brings newfound opportunities and exceptional value to both the recipient and well beyond. Our world has changed and keeps changing. And these graduates' impact will change the world for the better. Our students, alumni, faculty and staff are engaged in lifelong learning, research, critical thinking and collaboration with businesses, industries, nonprofit organizations and other educational institutions in the region and across the globe. These soon-to-be alumni have set the bar higher for new levels of cooperation, innovation and entrepreneurship.

On behalf of the UWM faculty and staff, I congratulate all of today's graduating students. When combined with those who graduated last May, there are an impressive 5,000+ students who have achieved one of life's more significant milestones.

To all our guests, I thank you for supporting your adult child, relative, spouse, partner or friend. And to all our graduates, I offer my best wishes in all your endeavors. We look forward to hearing about your achievements.

Best regards,

A handwritten signature in black ink that reads "Mark A. Mone". The signature is written in a cursive, flowing style.

Mark A. Mone
Chancellor

THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin-Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university's logo in the center and the years above the word "Milwaukee."

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters "UW" and "M," which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the "W" and the "M" to show the connection between the University of Wisconsin System and Milwaukee's university. The two wavy banners below the letters "UWM" show movement and suggest a continuum of education throughout one's life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin Legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school's name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin, and classes at the new University of Wisconsin-Milwaukee began in the fall of 1956.

A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teachers college.

Some important dates:

- 1885** Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
- 1892** University of Wisconsin offers day and evening classes in Milwaukee
- 1909** With the completion of a new Milwaukee Normal School building (today's Mitchell Hall), the campus moves to its present location
- 1920** The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
- 1927** Normal school becomes Milwaukee State Teachers College with 4-year degree
- 1928** UW Extension opens Milwaukee Center downtown
- 1951** Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
- 1956** WSC & UW Milwaukee Extension merge to form UWM
- 1961** The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
- 1963** UWM offers first PhD degree, in mathematics
- 1964** UWM buys Milwaukee-Downer College buildings, expands campus
- 1965** UWM purchases the 6.3-acre Milwaukee University School campus
- 1970** Three residence towers, collectively called Sandburg Halls, open for student housing
- 1988** UW System designates eight Centers of Excellence at UWM
- 1995** Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
- 2000** UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
- 2001** Governor announces honors academy at UWM
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men's basketball team advances to Sweet 16 in NCAA Tournament.
- 2006** \$100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men's and women's basketball teams both advance to NCAA Tournament.
- 2008** Campaign for UWM is completed more than a year early with \$125 million pledged to the university.
- 2010** The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.
- 2016** UWM is named a top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education. This honor includes UWM as one of 115 top-tier research universities among the nation's 4,600+ institutions, and only one of two in Wisconsin.
- 2018** UWM again named a top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education.
- 2019** UWM successfully completes a comprehensive fundraising campaign, Making Milwaukee, Shaping the World: The Campaign for UWM. The \$251 million raised is 25% higher than the university's \$200 million goal, which was announced publicly in 2017. More than 21,000 donors made over 70,000 gifts supporting scholarships, research and major initiatives, including the Connected Systems Institute and the Northwestern Mutual Data Science Institute.
- 2022** For the third consecutive time, UWM achieves top-tier Research 1 (R1) status and remains one of the top research universities in the nation. UWM is one of only 146 institutions of nearly 4,000 nationwide to receive this ultimate recognition.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the 1930's, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 9 schools and colleges offer 105 undergraduate programs, 69 master's and 39 doctoral degrees.

CHANCELLOR'S MEDALLION

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, associate professor of Art and Design, after talking with Chancellor Mone about his vision for UWM's future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor's Medallion is full of symbolism specific to UWM.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an "Intercollegiate Code" established design and color criteria. The bachelor's gown has long, pointed sleeves and is designed to be worn closed. The master's gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor's gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (PhD) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

BLUE VIOLET—Architecture	LEMON—Library & Information Science
WHITE—Art	PINK—Music
BROWN—Art/Fine Arts	APRICOT—Nursing
DRAB—Business Administration	SALMON—Public Health
LIGHT BLUE—Education	GOLD—Science
ORANGE—Engineering/Computer Science	CITRON—Social Work/Criminal Justice
PEACOCK—Human Resources and Labor Relations	ROYAL BLUE- Philosophy

Cords and Stoles:

The gold cord, worn by some of the bachelor's degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk is directly after the names of bachelor's and associate degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor's Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

The black and gold stole worn by some undergraduate students identifies our McNair Scholars, our future leaders who come from the first generation and diverse backgrounds. These students have completed a selective and rigorous research program that prepares them to enter graduate school.

CEREMONY COMMENCEMENT SPEAKER

DR. VICKI MARTIN

President of Milwaukee Area Technical College

Dr. Vicki J. Martin is the 10th president of Milwaukee Area Technical College. She has served in higher education for four decades, at MATC for three decades and has led the college since 2014. A Milwaukee native and first-generation college student, she holds a bachelor's degree in sociology from the University of Wisconsin-Milwaukee, master's degrees from the University of North Dakota (counseling and guidance) and Cardinal Stritch University (business management), and a doctoral degree in educational leadership and policy analysis from the University of Wisconsin-Madison.

Dr. Martin is a champion of access to affordable education, greater student success and enhancing the talent pipeline from high school through postsecondary education. Since her presidency began in July 2014, Dr. Martin's accomplishments include:

- Building MATC's first full-ride scholarship — the Ellen and Joe Checota MATC Scholarship Program — supported by our largest-ever scholarship fund at \$7.5 million and graduating nearly 200 students in its first year.
- Creating a nationally groundbreaking Promise program for returning adults; Launching Wisconsin's first Promise program for new high school graduates (together, the Promise programs have graduated more than 600 students since inception).
- Receiving a record-setting \$6 million gift to create the Froedtert Memorial Hospital Scholarship.
- Helping 500 students relieve their debts and return to college through MATC ReStart and; offering: the state's first Second Chance Pell program.
- Implementing the nationally recognized Guided Pathways model, helping improve MATC student retention rates including by 7 percentage points in the last year.
- Setting a goal to eliminate student performance gaps by 2030 and implementing bold reforms as the first two-year college in the nation to be selected for EAB's groundbreaking Moon Shot for Equity.
- Opening the Student Resource Center and food pantries at all four campuses plus Walker's Square.
- Addressing housing insecurity by opening apartments for nearly 200 students each year at Westtown Green.
- Co-founding M-Cubed, harnessing the exponential power of Milwaukee Public Schools, MATC and the University of Wisconsin-Milwaukee to transform the future of Milwaukee through education.
- Leading the Bradley Tech Commission implementing an early college model to help students access more career exploration and college-level credits.
- Serving as chair of the Higher Education Regional Alliance, bringing together all 17 colleges and universities in the seven-county Milwaukee region.

Dr. Martin has attracted growing private-sector and foundation support to the MATC Foundation Inc., the college's philanthropic partner. In 2013-14, the Foundation issued \$251,705 in scholarships to 391 students. By 2022-23, that grew to an incredible \$1.8 million and 2,290 scholarships were awarded. Also, students have received \$1+ million since 2015 through MATC's Student Emergency Assistance Program, a program that did not previously exist.

Throughout her tenure, she has received several recognitions for her leadership, including Power Brokers (Milwaukee Business Journal, 2023, 2020), Wisconsin 275 - The State's Most Influential Business Leaders (BizTimes, 2022), TEMPO Mentor Award (2017), and Women of Influence - Educational Leadership (Milwaukee Business Journal, 2016).

CEREMONY COMMENCEMENT SPEAKER

DR. KEITH P. POSLEY

Superintendent of Milwaukee Public Schools

Dr. Keith P. Posley is superintendent of Milwaukee Public Schools (MPS). As superintendent, Dr. Posley works with the Milwaukee Board of School Directors and district leadership to improve student achievement, engage in effective and efficient operations that make the best use of district resources, and develop opportunities to increase parent and community involvement.

Dr. Posley was previously the chief school administration officer for MPS and has served as a district administrator in several capacities. He first joined the Office of School Administration in 2003 as a leadership specialist for the MPS northwest region. His primary responsibilities included overseeing the day-to-day operations of more than 35 schools, providing support, guidance, advisement and direction to school leaders. Dr. Posley was also responsible for recruiting and hiring highly qualified, strong, effective school principals and education leaders in schools under his purview.

Dr. Posley started his career as an elementary school teacher at Benjamin Franklin School in 1990. He later served as assistant principal at Forest Home Avenue Elementary School and, in 1999, was named principal of Clarke Street Elementary School. During his tenure at Clarke Street, the school received a visit from President George W. Bush after Dr. Posley was named one of eight exemplary principals selected by the president that year.

Originally from Mantee, Mississippi, Dr. Posley received his bachelor's degree from Tougaloo College in Mississippi and his master's degree in curriculum and instruction from the University of Wisconsin-Milwaukee. He holds a certificate of advanced studies in administrative leadership and a doctorate in education leadership from National Louis University.

He believes that reading, math and writing need the intense focus of the entire MPS system. Dr. Posley states, "I firmly believe each child must possess a strong knowledge base in these critical areas."

Growing up, Dr. Posley felt that strong family support was critical to his development. Older brothers, uncles, his church and community members saw something good within him and encouraged him to pursue his education. In reflection of the support afforded to him, Dr. Posley never misses an opportunity to mentor young men and encourage them to pursue their academic goals.

Dr. Posley is married to Shiron and has three daughters, Shawanda, Shana and Praneshia, along with five wonderful grandchildren, Makayla, Jordan, Haleigh, Mariah and Hannah.

CEREMONY HONORARY DEGREE RECIPIENT

JACK ZIPES

Professor Emeritus of German
University of Minnesota

Honorary Doctor of Humanity

Escorted by: Simon Bronner, Dean, College of General Studies

Jack Zipes is professor emeritus of German at the University of Minnesota and has previously held professorships at New York University, the University of Munich, the University of Wisconsin-Milwaukee, and the University of Florida. In addition to his scholarly work, he is an active storyteller in public schools and has worked with children's theaters in France, Germany, Canada and the United States. In 1997 he founded a storytelling and creative drama program, Neighborhood Bridges, in collaboration with the Children's Theatre Company of Minneapolis that is still thriving in the elementary schools of the Twin Cities and in other cities of the United States. Most recently, in 2018, he founded a small publishing house called Little Mole and Honey Bear with the motto to unbury talented and neglected writers and illustrators of fairy-tale books from the interwar years 1919-1940.

His major publications include *Breaking the Magic Spell: Radical theories of folk and Fairy Tales* (1979), *Fairy tales and the Art of Subversion: The Classical Genre for Children and the Process of Civilization* (1983), *Fairy Tale as Myth and Myth as Fairy Tale* (1994), *Speaking Out: Storytelling and Creative Drama for Children* (2004), *Grimm Legacies: The Magic Power of the Grimms' Folk and Fairy Tales* (2014), *Buried Treasures: Excavating Fabulous Fairy Tales and Their Extraordinary Authors* (2023), and many more.

Regarded as a major American translator, he has published *The Complete Fairy Tales of the Brothers Grimm* (1987), *Beauties, Beasts, and Enchantment: Classic French Fairy Tales* (1989), *The Fairy Tales of Hermann Hesse* (1995), and he has also edited *Spells of Enchantment: The Wondrous Fairy Tales of Western Culture* (1991), *The Outspoken Princess and the Gentle Knight* (1994), *The Oxford Companion to Fairy Tales* (2000), *The Great Fairy Tale Tradition: From Straparola and Basile to the Brothers Grimm* (2001), and *The Oxford Encyclopedia of Children's Literature* (2006). His most recent translations include *Beautiful Angiola: The Great Treasury of Sicilian Folk and Fairy Tales Collected by Laura Gonzenbach* (2006), *The Folk and Fairy Tales of Giuseppe Pitre* (2008) with Joseph Russo, *Lucky Hans and other Merz Fairy Tales* (2008) by Kurt Schwitters, *The Cloak of Dreams* (2010) by Béla Balázs, and *The Original Folk and Fairy Tales of the Brothers Grimm: The Complete First Edition* (2014), all which include long introductions. In 2013 he published a major anthology of nineteenth century folk tales under the title, *The Golden Age of Folk and Fairy Tales: From the Brothers Grimm to Andrew Lang*. Recently, he has translated Christian Bärmann's *The Giant Ohl and Tiny Tim* (2019).

Early in his career, Professor Zipes was co-founder of the important journal *New German Critique*, was co-editor of the journal of children's literature *The Lion and the Unicorn*, 1992-2000, editor-in-chief of the Routledge book series *Children's Literature and Culture* and co-editor with Erich Weitz of the Palgrave book series *Studies in Contemporary European Culture and History*. In 1997 he became the first director of the Center for German and European Studies. In addition to his administrative work, he has written numerous articles for various journals in the United States, Great Britain, Germany, Canada, Italy, Slovenia, and France.

Dr. Zipes has received many awards throughout his life. Some include Fulbright Fellowship Grant (1981-82), John Simon Guiggenhein Fellowship (1988-89), National Endowment for the Humanities (1998-99), International Brothers Grimm Award (1999), Mythopoeic Scholarship Award for Myth and Fantasy Studies (2012), World Fantasy Convention Award for Lifetime Achievement (2019), and many others.

PHOTOGRAPHS

Grad Images® is proud to support one of the biggest moments in a graduate's life: walking across the stage and into the next chapter. With over 40 years of experience, we understand the importance of this moment and the desire to preserve these memories for a lifetime.

Finding your graduate photos after the ceremony is easy. Visit: *GradImages.com* to view and purchase custom photo products like prints, plaques, specialty gifts, and more. Reach our Customer Service Department at (800) 261-2576 or *ecc.giservice@gradimages.net*.

COMMENCEMENT VIDEO

You may view today's ceremony online at: *uwm.edu/streamingvideo/commencements/*

SOCIAL MEDIA

UWM wants you to share your commencement day. Graduates, family, friends and alumni connect with us on social media. Tweet us your commencement moments in real time by using the hashtag #uwmgrad. Share your commencement photos on our timeline *facebook.com/uwmilwaukee*. View all your tweets and photos at *uwm.edu*.

Please use the QR code below to share your plans with us through the First Destination Survey. This information not only lets us know how we are doing at making UWM graduates competitive in the job market, but also allows us to brag about where are graduates land. If you need any support at securing your first position, please contact us at careerplan@uwm.edu.
