  - c. A member commented on the revenue breakdown, specifically related to the decline in staff revenue. They asked if it is possible to provide a breakdown between staff and faculty.
  - d. A member asked the total number of parking stalls on campus. Prasanna 3300 on campus, 1,000 at U-Park, 170 at Kenilworth, 70 at CC and 55 at Riverview. USRB and GLRF are not included in counts. UPARK utilization is down from 70% occupancy to 30%.
  - e. Student Resident permits will see a rate increase due to high demand. Commuter students make the greatest demand for permits, but those are for the on-campus lots, not residence halls (roughly 70%).
