Acknowledgments	44-45

Note:

Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may not be entirely accurate. This program is not an official university document and does not officially designate that those whose names appear have completed degree requirements.

GREETINGS FROM THE CHANCELLOR

Welcome to the 130th University of Wisconsin-Milwaukee commencement, where we are thrilled to honor our graduates. This is an extra special day to recognize and celebrate our graduating students' academic efforts, fortitude and remarkable personal commitment.

In celebrating our graduates, we also look to these outstanding individuals with considerable expectations. An academic degree brings newfound opportunities and exceptional value to both the recipient and society. Our world continues to change. And the impact of our graduates will most certainly change the world for the better. Our students, alumni, faculty and staff are engaged in lifelong learning, research, critical thinking and collaboration with businesses, industries, nonprofit organizations and other educational institutions in the region and across the globe. These soon-to-be alumni have set the bar higher for new levels of cooperation, innovation and entrepreneurship.

On behalf of the UWM faculty and staff, I congratulate all of today's graduating students. When combined with those who graduated last December, there are an impressive 5,000 students who have achieved one of life's more significant milestones.

To all our guests, I thank you for supporting your adult child, relative, spouse, partner or friend. And to all our graduates, I offer my best wishes in all your endeavors. We look forward to hearing about your achievements.

Best regards,

A handwritten signature in black ink that reads "Mark A. Mone". The signature is written in a cursive, flowing style.

Mark A. Mone
Chancellor

THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW–Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the Universities of Wisconsin and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin Legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.

A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teachers college.

Some important dates:

- 1885** Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
- 1892** University of Wisconsin offers day and evening classes in Milwaukee
- 1909** With the completion of a new Milwaukee Normal School building (today's Mitchell Hall) the campus moves to its present location
- 1920** The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
- 1927** Normal school becomes Milwaukee State Teachers College with 4-year degree
- 1928** UW Extension opens Milwaukee Center downtown
- 1951** Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
- 1956** WSC & UW Milwaukee Extension merge to form UWM
- 1961** The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
- 1963** UWM offers first PhD degree, in mathematics
- 1964** UWM buys Milwaukee-Downer College buildings, expands campus
- 1965** UWM purchases the 6.3-acre Milwaukee University School campus
- 1970** Three residence towers, collectively called Sandburg Halls, open for student housing
- 1988** UW System designates eight Centers of Excellence at UWM
- 1995** Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
- 2000** UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation.
- 2001** Governor announces honors academy at UWM.
- 2002** Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
- 2005** Men's basketball team advances to Sweet 16 in NCAA Tournament.
- 2010** The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven building with more than 800,000 gross square feet of space; and about 900 parking spaces.
- 2016** UWM is named a top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education. UWM is one of only two R1 institutions in Wisconsin.
- 2018** UWM retains top-tier Research 1 (R1) doctoral university by the Carnegie Classification of Institutions of Higher Education.
- 2019** UWM successfully completes a comprehensive fundraising campaign, Making Milwaukee, Shaping the World: The Campaign for UWM. More than 21,000 donors made over 70,000 gifts totaling \$251 million, supporting scholarships, research and major initiatives, including the Connected Systems Institute and the Northwestern Mutual Data Science Institute.
- 2022** For the third consecutive time UWM is named top-tier Research (R1) status. UWM is one of only 137 institutions of 3,298 nationwide to receive this recognition.

By the turn of the 20th century, the school had expanded to offer programs in the liberal arts and science as well as education. By the 1930's, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor's degrees and, in 1951, became Wisconsin State College. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 9 schools and colleges offer 103 undergraduate programs, 69 master's and 39 doctoral degrees.

CHANCELLOR’S MEDALLION

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, Associate Professor of Art and Design, after talking with Chancellor Mone about his vision for UWM’s future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor’s Medallion is full of symbolism specific to UWM.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (PhD) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

BLUE VIOLET—Architecture	LEMON—Library & Information Science
WHITE—Art	PINK—Music
BROWN—Art/Dance/Drama	APRICOT—Nursing
BEIGE—Business Administration	SALMON—Public Health
LIGHT BLUE—Education	GOLD—Science
ORANGE—Engineering/Computer Science	CITRON—Social Work/Criminal Justice
PEACOCK—Human Resources and Labor Relations	

Honors: The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

The fountain mist (teal) cord is debuting at the May 2024 commencement ceremony and signifies student donors who support the UWM Foundation in honor of the Senior Class Gift.

The black and gold stole worn by some undergraduate students, identifies our McNair Scholars, our future leaders who come from first generation and diverse backgrounds. These students have completed a selective and rigorous research program that prepares them to enter graduate school.

BLACK & GOLD CEREMONY COMMENCEMENT SPEAKER & GOLD CEREMONY HONORARY DEGREE RECIPIENT

JEFFERY YABUKI

Chairman of Motive Partners

Jeff Yabuki is the Chairman of Motive Partners, a specialist private equity firm powering the forefront of global fintech, where he brings renowned leadership experience and a track record of unlocking the best in companies — and people — to drive exceptional investor returns. In this role, he also serves as Chairman and CEO of Investcloud, a global leader in wealth management technology. Yabuki has been named among the most innovative leaders in America by Forbes magazine for his transformational impact in business.

Jeff was CEO of Fiserv Inc. from December 2005 to May 2020, where he nearly tripled revenue and delivered an unprecedented shareholder return of 969% through 2019 by evolving the organization from a traditional holding company into a unified, global leader in financial services and innovative payments technology. He was also named Chairman of the Board in 2019 and served in that additional role until his departure at the end of 2020. Under Yabuki's leadership, Fiserv was recognized from 2007-2020 11 times among Fortune's World's Most Admired Companies. The Fiserv brand also became more widely known with the naming rights of Fiserv Forum, the home of the NBA champion Milwaukee Bucks.

Prior to Fiserv, Jeff was Executive Vice President and Chief Operating Officer at H&R Block for six years, where he led ambitious business-model transformations that positioned the tax giant for new sources of growth in the digital and financial spaces. Before that, he held a progression of leadership positions over 12 years at American Express, after starting his career as a CPA.

Jeff's ability to align strategic vision and operational excellence is sought after globally serving as a member of the board for the Royal Bank of Canada, Nasdaq and as Chairman of Sportradar. He also Chairs the Milwaukee Art Museum Board of Trustees, is a Trustee at the Los Angeles County Museum of Art and is on the board of directors of Project Healthy Minds.

As part of a continued passion to help others realize their full potential, Jeff founded The Yabuki Family Foundation in 1999 to support innovative initiatives that tackle some of the world's toughest problems, with a particular focus on mental and emotional health, family, education, arts and social justice.

In 2021 the family foundation finalized a groundbreaking \$20 million gift to Children’s Wisconsin — the largest single contribution in the history of the organization — to confront the growing pediatric mental health crisis. The gift spurred the creation of the first large-scale delivery model that integrates mental health services at every touch point, from homes to schools to routine checkups. It also inspired the Emmy winning short documentary “A Brother’s Journey” in which Jeff tells the story of his brother’s lifelong battle with depression and shares a vision for every child to receive access to the care they need before problems become catastrophic.

To give back in a different way, Jeff also serves as the Sheldon B. Lubar Executive in Residence at the Lubar School of Business at University of Wisconsin–Milwaukee, where he teaches and mentors the next generation of global talent in areas of fintech, strategy and leadership.

PHOTOGRAPHS

Grad Images® is proud to support one of the biggest moments in a graduate's life: walking across the stage and into the next chapter. With over 40 years of experience, we understand the importance of this moment and the desire to preserve these memories for a lifetime.

Finding your graduate photos after the ceremony is easy. Visit www.GradImages.com to view and purchase custom photo products like prints, plaques, specialty gifts, and more. Reach our Customer Service Department at (800) 261-2576 or ecc.giservice@gradimages.net.

COMMENCEMENT VIDEO

You may view today's ceremony online at: <https://uwm.edu/streamingvideo/commencements/>

SOCIAL MEDIA

UWM wants you to share your commencement day. Graduates, family, friends and alumni connect with us on social media. Tweet us your commencement moments in real time by using the hashtag #uwmgrad. Share your commencement photos on our timeline [facebook.com/uwmilwaukee](https://www.facebook.com/uwmilwaukee). View all your tweets and photos at uwm.edu.

Please use the QR code below to share your plans with us through the First Destination Survey. This information not only lets us know how we are doing at making UWM graduates competitive in the job market, but also allows us to brag about where are graduates land. If you need any support at securing your first position, please contact us at careerplan@uwm.edu.
