FROM THE DEAN

The Helen Bader School of Social Welfare provides unique scholarship opportunities for both criminal justice and social work students. I strongly encourage you to consider applying for one or more of these opportunities, as scholarships can provide much needed financial assistance to students in the pursuit of their educational goals.

As Dean, I am committed to finding ways to increase the number and value of scholarships available to students, both undergraduate and graduate, of the Helen Bader School of Social Welfare. If you have any questions regarding scholarships in the School, please contact Student Services at 414-229-4852. I wish you well with your studies and hope you will begin the scholarship application process today!

Stan Stojkovic, Ph.D.
