</table>

You may take one exam per testing period, for a maximum of two exams per day.

You are required to RSVP, to do so please email Martha Kinnen at mswadmis@uwm.edu indicating the exam you want to take, during which testing period, and your ePanther ID.

The exams test on knowledge, theories and methods common to the content areas of these Foundation courses. Below is a list of example textbooks that cover material reflected in the exams. These and other similar text books can be found at UWM libraries, other college and university libraries, bookstores, and online sites (i.e. Amazon). Books noted with [UWM LIB] are available on 2 hour reserve at UWM’s library.

**SW 604 Social Systems and Social Work Practice**

*Textbooks such as the following that cover macro human behavior (communities, organizations, social systems):*

**SW 662 Methods of Social Welfare Research**

*Textbooks such as the following that cover social science research methods:*

**SW 705 Individual Behavior and Social Welfare**
