Spring 2021 Registration

While it feels like the Fall 2020 semester just began, it's time to start planning for the Spring 2021 semester. Registration for Spring will begin November 16th.

Each student is assigned an Enrollment Appointment, which is the first day and time that you're able to enroll in classes for the next term. Your Enrollment Appointment date and time will appear in your PAWS account roughly one week before enrollment begins.

Remember, while 12 credits is considered "full-time", taking 15 credits each semester will put you on track for four year degree completion.

Schedule a meeting with your advisor soon to plan your Spring 2021 schedule! Virtual drop-in advising continues to be available on Tuesdays from 1-4pm.
