#### Teaching:

- Candidate Academy for Electing Social Workers (CAFESW)** (2023 – present)  
I joined consortium of social workers to create a 12 week online course teaching social workers how to run for political office. I created the syllabus and teach one of the modules. I also serve on the Steering Committee and provide consultation on the course evaluation
- International Online Conversation Series on Social Work** (2021 – present)  
The mission of this international consortium of social work educators is to provide a series of online interactive workshops for social work students in many different countries. I provided consultation on curriculum and presented several sessions.
- Training for Adoption Competency (UWM Trainer)**. (2021 – present) I continue to train in this evidence based curriculum for adoption competent therapists on an ad hoc basis, conducting 4 – 5 trainings per year.
