Proposal for Health Sciences Event

WHEREAS, the Student Association at the University of Wisconsin – Milwaukee benefits from events that facilitate interactions between Senators and their respective constituencies.

WHEREAS, the Student Association at the University of Wisconsin – Milwaukee also prospers from events that promote inclusion of diversity in all its forms.

WHEREAS, holding events for students in the College of Health Sciences constitutes one of the responsibilities of the Academic Senator for the College of Health Sciences.

WHEREAS, no designated event for the College of Health Sciences (hereafter known as the CHS) has yet been held by the Academic Senator for the CHS in the 2018-2019 academic year.

WHEREAS, constituents within the CHS would benefit from an event dedicated to interactions with their Academic Senator and with each other.

WHEREAS, the CHS consistently laments its failure to incorporate diversity into its educational programs and debates how to integrate comprehensive, culturally competent education of future health professionals.

THEREFORE, BE IT RESOLVED, that the College of Health Sciences shall host an Around the World Field Day event on April 10th, 2019, in the interest of allowing constituents to meet and interact with various elements of cultures from around the world.

THEREFORE, BE IT FURTHER RESOLVED, that the Student Association at the University of Wisconsin – Milwaukee shall allocate up to $1,000 from its programming budget for catering, marketing, and venue costs.

THEREFORE, BE IT FINALLY RESOLVED, that upon passage this legislation will be communicated to the interim dean of the College of Health Sciences, the associate dean of the College of Health Sciences, the director of the office of student affairs in the College of Health Sciences, and students within the College of Health Sciences.
