WHEREAS, the mission of the Student Association is advocate for activities that improve student life.

WHEREAS, the Student Association has made a commitment to making the University of Wisconsin-Milwaukee (hereafter UWM) more sustainable through the Student Transportation Committee and its partnership with Bublr Bikes and through communicating with the Office of Sustainability about current campus projects.

WHEREAS, the Student Association unanimously passed SB1516-027 Endorsement of a Campus Green Fund on April 14th, 2016.

WHEREAS, SB15-16-027 Endorsement of a Campus Green Fund requires the Student Association to provide a structure to support the Green Fund and outline the guidelines of how to allocate the Green Fund.

THEREFORE BE IT RESOLVED; That the Student Association approves the creation of the Environmental Sustainability Mentorship Committee which will allocate the Green Fund and mentor students to implement approved student-led sustainability projects and initiatives on campus that meet the eligibility requirements as defined in ESMC's by-laws.

THEREFORE BE IT FINALLY RESOLVED; That upon passage this resolution is communicated to the Associate Vice Chancellor of Student Affairs Jim Hill, Chief Sustainability Officer Kate Nelson, Student Association Professional Staff, and members of the UWM Senate Finance Committee.
