The Senate Finance Committee is a body of the Student Association established primarily to allocate Segregated University Fees to eligible campus entities in ordinance with UW Regent, UW System, and UW-Milwaukee policy.

Within the Non-Allocable Rounds of this process, committee members are tasked with reviewing application materials and budget requests, attending applicant presentations, and deliberating, inquiring on, and providing recommendations on segregated fee allocation rates.

Furthermore, the 2018-2019 Senate Finance Committee Recommendation Report serves as a culmination of recommendations made by the Senate Finance Committee on budget requests of Non-Allocable applicants participating in the Segregated University Fee Allocation Process.
Center for Community-Based Learning, Leadership, and Research

Laurie Marks – Executive Director of the Center for Community-Based Learning, Leadership, and Research
lmarks@uwm.edu

Introduction

The Center for Community-Based Learning, Leadership, and Research helps students connect with opportunities in the Milwaukee community to do volunteer work and paid internships at non-profit organizations. This past year we tracked students doing over 58,000 hours through our various programs and non-profit partners where they worked with local organizations including those focused on poverty, health care agencies, art organizations, environmental agencies, disaster relief agencies, arts organizations, and more.

Military and Veterans Resource Center
Yolanda Medina – Director of Office of Student Life
medinay@uwm.edu

Introduction
The Military & Veterans Resource Center (MAVRC) provides support for veterans of the Army, Marine Corps, Navy, Air Force, National Guard and Coast Guard. Additionally, we provide assistance for ROTC cadets, members of Military Reserve Units and the children and spouses of service members. MAVRC is staffed by professional staff and student veterans who understand the educational process and are committed to helping all military-related transition into academic life and successfully complete their education at the University of Wisconsin-Milwaukee. MAVRC provides a safe space to relax and unwind in our lounge area, complete with complimentary coffee, mini-fridge, and microwave, internet access and print services. MAVRC also provides a quiet study space in the computer lab with three laptops and two PC’s, equipped with Common Access Card readers for military personnel. MAVRC provide opportunities for camaraderie and support that are strengthened through a shared experience with military service via the Project 22 and Military Ball events as well as other off campus partnerships. Open throughout the entire calendar year, MAVRC supports all military-related students, from enrollment to work/study internships, to graduation and job placement through direct programming with on-campus partners.
