WHEREAS, Student Association Members have no unified way of identifying themselves to the student body when participating in things such as events, tabling, etc., on behalf of the Student Association.

WHEREAS, the Student Association is already in the midst of working to increase their on-campus visibility.

THEREFORE BE IT RESOLVED, that Student Association allocate up to $150 for the purchase of 100 buttons at a per-unit cost of $1.37, and any additional costs in shipping.

THEREFORE BE IT RESOLVED; these buttons are intended to be worn by members of the Student Association when tabling, participating in Student Association sponsored events, or when representing the Student Association.

THEREFORE BE IT RESOLVED; these buttons are considered property of the Student Association and are to be returned by Student Association members once they depart from the organization. They are hereby the responsibility of the Student Association Executive Board.

THEREFORE BE IT FINALLY RESOLVED; upon approval of this legislation, this matter shall be referred to the Student Association Treasurer and the Student Association Marketing & Programming Director.
