*Exec Liaison Zen Johnston:*

**Bylaws**

**IV. Open Forum**

John McCune mentions that there are some issues with insurance on the trans-inclusive swim, and whether it will be open to the public or students only. People will have to sign waivers before the event, and with the way the original legislation is written, the event will only be open to the public. Sarah from LGBTRC mentions that tonight is the opening night of the Trans-lucent art exhibit. Also asks if a student staff representative from the LGBTRC would satisfy the committee's bylaws requirement.

**V. Approval of Agenda**

Agenda cannot be approved due to lack of quorum.

**VI. Special Orders**

There are no special orders.

**VII. Old Business**

There is no old business.

**VIII. New Business**

**(1) Vice-Chair Appointment**

Morgan Johnsen indicates her interest in the position.

**(2) Attendance Policy**

Chair Taylor wants to echo the senate attendance policy, and consensus of the group is that this will be adopted.

**(3) SA Resolution**

Clarence looked at what other schools have done in terms of increasing inclusivity in their resources centers. Clarence also notes that citations are flipped and need to be revised; this will be done before the next meeting.

Sarah mentions that the LGBTRC has been trying to add a plus to the end of the name; changing a name is expensive, but every time the LGBTRC orders something new, they add a plus to it. LGBTRC is considering Gender and Sexuality Resource Center due to its inclusive nature and likelihood of being future-proof.

**IX. Questions and Concerns**

**X. Adjournment**
