Student Appropriations Committee (SAC) Training for the Spring 2020 Grant Process
Hello!
We are the Student Appropriations Committee (SAC).
We're here to allocate student segregated fee funding through shared governance in accordance with state and federal policies and procedures.
What is SAC?

- Every semester, students pay segregated fees that fund different things on campus (the Union, Resource Centers, Green Fund, etc.) including SAC.
- This means that the SAC budget is dependent on a variety of factors, most notably how many students enroll and how much funding RSOs use from the prior semester.
- SAC is the committee, composed of Student Association representatives and RSO members, responsible for allocating funds to RSO's fairly & in accordance with policy.

SAC is the one place where students have a direct say in how their segregated fees are spent!
Where is SAC at?

● SAC has less money to allocate this semester – why?
  ○ Decreased enrollment
  ○ Smaller reserves
  ○ Increased demand
  ○ You spent most of your grant money last semester!
    Yay! Cool things are happening on campus!

● Because of this budget crunch, SAC is meeting to determine creative steps forward. This means that caps, deadlines, and grant amounts are subject to change. Wanna be part of this? Join SAC!

● SAC will keep you in the loop via email, so keep a close eye on yours!!!
Student Association

Student Appropriations Committee (SAC)

Student Involvement
SAC funds are state money.

This means that there are a lot of policies, rules, and procedures that the committee (& RSOs!) have to follow throughout the grant process.
Guiding policies

Federal
Viewpoint Neutrality as determined in Board of Regents, University of Wisconsin System v. Southworth shapes what information can and cannot be considered in financial decisionmaking.

State
UW System Administrative Policy 820 defines what student segregated fee funding can and cannot be used for within UW System campuses.

UWM
SAC Bylaws and precedence guide the committee on how to fairly allocate money and ensures a consistent process from semester to semester.
What does this mean for you?

It's really important to follow the policies laid out in this training and use proper websites and justification so we can make sure everything is in accordance at all levels!
Grants 101

Let's get this bread.
Our process is straightforward

first

Attend Grant Training

Look at you, you overachiever. You’ve already crossed one thing off the list!

second

Request Justifications

We’ll go over how to do this in a few minutes. You need verifiable, non-editable third-party justification for EVERYTHING.

third

Submit Your Application

Use Engage to tell us about your grant. Ensure that all justification is attached and accessible, and be sure you actually click Submit!

last

Go To Your Hearing

Plan to have at least 2 people from your RSO attend your hearing. This is important for the committee to ask your RSO questions.
General Rules

Registration
Your RSO must be registered through student involvement.

Training
At least one OFFICER of your RSO must attend grant training & sign in.

# of Requests
You can only submit up to FOUR grants total (5 if you’re requesting a KickStart grant).*
*This is subject to change.

Mission
All requests must align with the mission of your RSO.

Attendance

Disclaimer
SAC Funding cannot be used for academic, personal, political, or commercial gain.
