Constitution Update

1 WHEREAS, SB1920-016 updated appointment rules for Program Representatives in order to,
2 “strengthen academic representation within the Student Association,” and to avoid, “limit(ing) the
3 success of its participants.”

4 WHEREAS, the clause on line 32 of the bill reads, “No Program Representative may hold any other
5 office, or position, elected or appointed, in the SA.”

6 WHEREAS, the opinion of the Oversight an Appeals Commissioner was that this language would prohibit
7 Program Representatives from sitting on SA subcommittees.

9 participation of the student body within SA Activities, and preventing Program Representatives from
10 sitting on SA subcommittees contradicts the intention of the bill.
