

Accessing Zoom Live Sessions (Student Edition)

Before we begin, here are a few important notes:

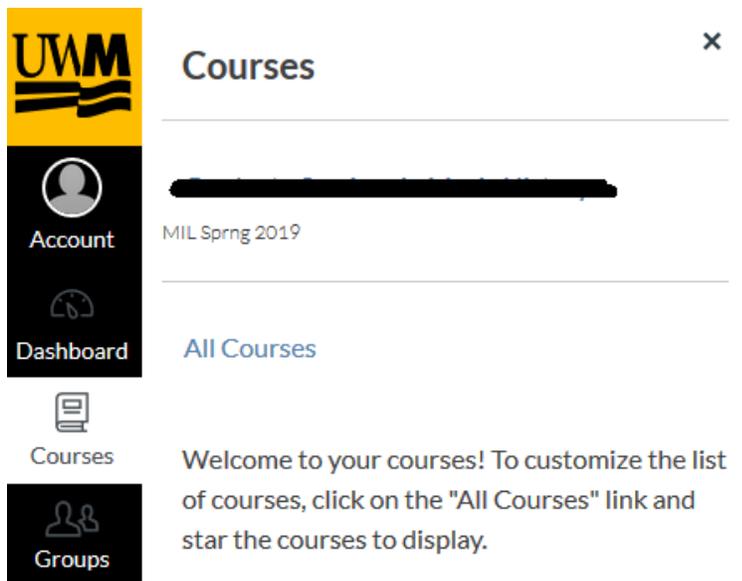

- You MUST use Google Chrome or Safari. Otherwise, the video will not display correctly once you enter the online session.
- You can also use a smartphone to access an online room by using the Canvas mobile app and following the directions given in the next section.
- Online rooms will open 15 minutes before your session.
- Tutors/SI leaders will wait 15 minutes in the online rooms at the start of their session, and if no students are present, will end the session and leave. This does not apply to walk-in tutoring; they will be available for the whole time they are scheduled.
- Sharing video uses a lot of bandwidth, which can lead to connectivity slowness/freezing.
- **You can sign up for tutoring or SI sessions here:** <https://uwm.edu/studentsuccess/make-an-appointment/>

Now, here are the basics of joining an online tutoring session in Zoom:

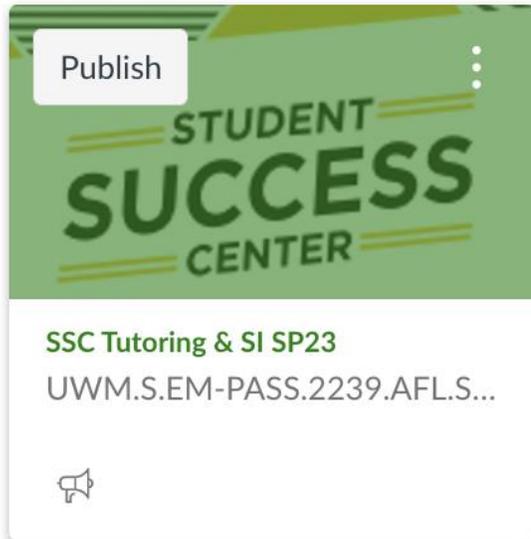

Log in to Canvas and click on the 'Courses' tab on the left side of the page. You can also access it through the 'Dashboard' if you have previously added it.

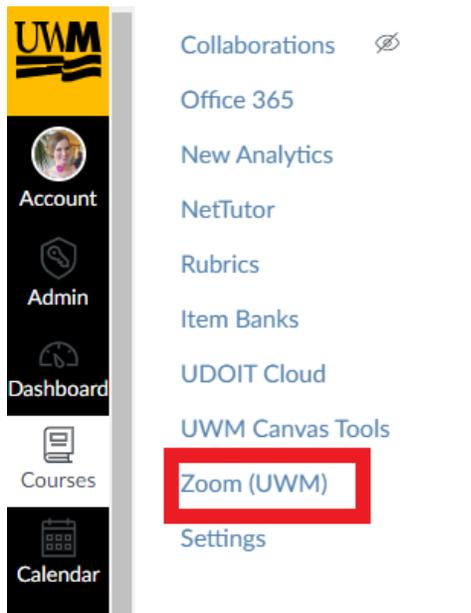

Otherwise, select 'All Courses' from the new dropdown menu that appears.

- **IMPORTANT:** If you haven't already, make sure to accept our canvas invite to access tutoring and SI sessions here: <https://uwmil.instructure.com/enroll/NLEGPT>
- Select the site SSC Tutoring & SI SP23:

Once you are at the SSC Tutoring & SI SP23 course home, look towards the bottom of the left-side menu and select 'Zoom.'

There is a session for each course and tutor or SI Leader (unless the tutor/SI leader is the same, then there will only be one room to use for both). They will be organized in the following format: (subject) (course number) - (name of tutor/SI leader). Find the session for your course and/or SI Leader and click on it (Ex: Sociology 101- Caroline).

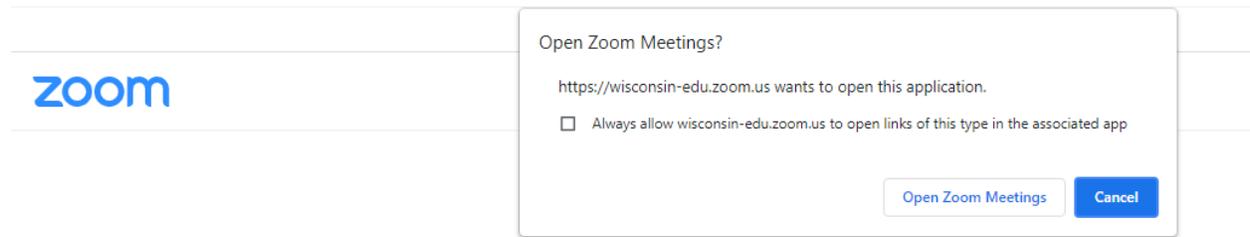

For those of you in courses with multiple tutors or SI Leaders, if you are unsure of which room is for your section, you can check here: <https://uwm.edu/studentssuccess/tutoring-and-supplemental-instruction/si-2/>.

Next search for your course and name in the list of Zoom meetings.
