

# Reporting Sexual Misconduct at UWM

## WHAT

**Title IX prohibits** sex discrimination including sexual harassment, sexual assault, domestic/dating violence, stalking, and sexual exploitation. **EVERYONE** at UWM has the right to be free from **sexual misconduct**.

## WHO

**ALL UWM EMPLOYEES must share all reports of sexual assault involving UWM students** with the Title IX Coordinator, irrespective of where and when they occurred. Sexual assault includes the unwanted touching of intimate parts. Unless you are a Responsible Employee, this report does not need to include any identifying information.

**RESPONSIBLE EMPLOYEES must share all reports of sexual misconduct**, including sexual harassment, sexual assault, domestic/dating violence, stalking, or sexual exploitation with Title IX Coordinator and may not promise or maintain confidentiality. Responsible Employees are a formal designation in UWM's Sexual Violence and Sexual Harassment Policy (SAAP 5-2). See the list provided here or review the policy at [uwm.edu/titleix](http://uwm.edu/titleix) to determine if you are a Responsible Employee.

## WHERE

**Mandatory sexual assault reports** and **Responsible Employee** reports should be made to the Title IX Coordinator.
