## STRATEGIC PARTNERSHIPS

- The **UWM Lubar Entrepreneurship Center** is a powerful resource for entrepreneurs, innovators and anyone who wants to make a positive change in their community. From courses and programs to workshops and networking, LEC provides the tools needed to transform ideas into reality.
- The **Connected Systems Institute (CSI)** develops manufacturing domain specialists through education, state-of-the-art lab facilities and collaborative research opportunities. CSI facilitates research collaboration between industry and academia to support the development of advanced manufacturing processes, including working with tools that support domain-specific research and education on the industrial internet of things (IIoT), factory automation and the implementation of Industry 4.0 solutions.
- The **Center for Water Policy** builds on the research of **UWM's School of Freshwater Sciences**, the **UW System's Freshwater Collaborative of Wisconsin**, and networks and partnerships with top scholars, scientists and policy institutions around the world.
- The **Northwestern Mutual Data Science Institute** is an industry and academic partnership between Northwestern Mutual, UWM and Marquette formed to inspire and cultivate passion for data science in the Milwaukee region. The groundbreaking partnership is helping to build a technology ecosystem and advance southeastern Wisconsin as a national hub for technology, research, business and talent development, while also creating an organic pipeline of tech talent.
- **UWM's TechEd Frontiers** offers innovative online learning pathways for people to learn new workplace skills and advance in their careers. The on-demand learning allows employees and employers to grow together, focusing on the most in-demand skills and individual coaching to help employees immediately apply their new knowledge in the workplace.
- **UWM's Small Business Development Center in its School of Continuing Education** is a go-to resource for entrepreneurs and business owners. The center helps build strong frameworks for growing and improving small- and mid-sized companies while also helping launch successful new ventures. The center provides free online training as well as no-cost, confidential consulting and education programs.

## ELIMINATING EQUITY GAPS

- UWM is one of three major public-education institutions in Milwaukee to co-found **M-cubed**, a critical initiative to close the achievement gap. UWM is home to the **Moon Shot for Equity's** inaugural launch in the Milwaukee region.

## OPPORTUNITIES FOR ALL

- UWM has partnered with six other organizations for the **Milwaukee Anchor Collaborative**, which is dedicated to hiring more people of color and purchasing more goods from disadvantaged areas. Undertaken with the Metropolitan Milwaukee Association of Commerce, **UWM's Student Success and Talent Pipeline Initiative** places students from diverse backgrounds into internships to prepare them for career success.
