TRIO & Pre-College Programs: Mini-Courses

SATURDAY ACADEMY

October 20-December 8
Mini-Courses Saturday Academy Program is an intense, academic program for middle school students in the 6th, 7th and 8th grades that meets for six Saturdays. Saturday Academy is designed to enhance students’ academic skills, and knowledge in careers and college options. Each semester, a selection of classes are offered to reinforce skills in one or more of the following subject areas: math, reading, English, science, STEM, computers, foreign language, arts, and/or career-related classes. Curriculum reinforces basic skills and competencies through various hands-on activities, group projects, classroom instructions and/or presentations. Program is limited to 120 students.

**Registration Deadline:** October 5 or when classes reach full enrollment

Orientation is mandatory for any new students/families. Returning students/families are no longer required to attend the mandatory orientation. Any new family that does not attend the mandatory orientation will be automatically withdrawn from the program. The orientation is an opportunity for parents and students to become more familiar with the Saturday Academy Program, program policies, expectations, and the Mini-Courses staff. Parents and students will also take a closer look into the classes for which they have enrolled. In order to attend the orientation, students must have received confirmation of acceptance into the program.

**Please note:** Saturday Academy has limited enrollment. If your child has been accepted into the program but is unable to attend, please notify the Mini-Courses office immediately.

**Program Tuition:** $195.00 or Wisconsin Department of Public Instruction (DPI) PreCollege Scholarship

**Registration Checklist**

- **ART MAKES YOU SMART**

  Have you ever wondered what makes Leonardo da Vinci’s masterpiece the “Mona Lisa” so special, or even imagined what inspired the great Claude Monet to paint his beautiful “Water Lilly” series from his garden in Giverny? This course will introduce you to some of history’s most iconic artists from the Renaissance, all the way through to Modern Contemporary Art. We will explore multiple art genres by examining major works of art and their creators. Students will work in groups to further research an artist/work of art of their choosing along testing their newfound art appreciation skills with a visit to a nearby museum.

- **FINDING YOUR WRITTEN VOICE**

  Every writer has a voice that is cultivated and made distinct with practice. But how do we discover, develop, and use our unique voice in our writing? In this course, students will explore the fundamentals of style and voice in writing and work to craft their own narratives. With lessons in poetry, fiction, and personal narrative, students will gain experience writing in multiple genres, and learn the ways that one's written voice can be translated into creative, academic, and professional settings. Students will explore ways to experiment and gain comfort in their own writing, creating new works that are uniquely and distinctively theirs.

- **GET MOVING!**

  Each student will learn the mechanics of the body and the reason moving is so important. They will learn how to make decisions that move them forward. We will discuss various careers, majors and professions that incorporate movement and exercise. Exercise, meditation, journaling, and other various activities will be implemented weekly in order to experience fitness on the level that fits the student. This class is engaging to all students that want to live a healthy, happy life regardless of their future endeavors.

- **INTRO TO ITALIAN LANGUAGE AND CULTURE**

  Italy is known for fashion, food, art, cars, cinema, and arguably one of the most beautiful languages in the world! Italians truly believe that la vita e’ bella. This course will help begin your journey toward learning the language needed to have basic conversations in Italian and prepare you for opportunities to travel to this amazing and breathtaking country!

- **INTRO TO PRINTMAKING**

  This class will provide students with the skills necessary to safely execute relief prints using two materials, (easy cut linoleum and foam board printing plates). The students will also be using a variety of materials, tools and techniques.

- **SHOW ME THE $$$**

  Living as a student, earning as a boss. Students often go into the “real world” unprepared or confused as to how they learn in the classroom is the link for creating a successful future. Show Me the $$$ will take students from the classroom to the boardroom and beyond by educating students on how to create a money plan for budgeting, link transferable skills from school to the working world, goal-setting strategies along with so much more...

  Students will not only learn essential business concepts, but they will also be challenged to actively think about how to execute them in a way that is fun and interactive.

- **SPLASH - AMAZING EXPERIMENTS WITH WATER!**

  Join us for a fun course with lots of hands-on activities! In this course you will investigate the amazing properties of water through a variety of experiments. Have you ever thought about testing lake or river water like environmental scientists or are you interested in building a clock that runs on water? Would you like to make water glow or build your own cold pack? In this course, you will be working with UWM research scientists who will help you accomplish all these things. Hope you will join the fun!

- **TELEVISION STUDIES**

  Students will learn the process of storytelling for a television audience by studying television episodes. Students will dive into characters, themes and dialogues while watching TV! Students will also have the opportunity to tell a story by reading scripts and write their very own short script.

**Please note:** Students must be in 6th, 7th or 8th grade to apply for the Saturday Academy!

Our programs and activities are designed to help you increase your academic and social abilities - helping you work toward a better future. For this reason, all students have the responsibility to help maintain the best possible atmosphere for learning so that everyone will be able to do his/her best. By paying attention, following directions, participating in activities and, most of all, by treating everyone with respect, you will be helping to accomplish this goal.

Both parents and students are asked to read and sign this form below.

**Student Responsibilities**
1. To behave in a respectful manner to program staff, instructors, presenters, tutors, other students, and the university.
2. To avoid abusive or loud language.
3. To ask questions if you do not understand what is being discussed.
4. To respect the property of program staff, instructors, presenters, tutors, other students, and the university.
5. To arrive on time and remain for the entire session.
6. To not bring radios, headphones, beepers, or cellular phones to workshops or tutoring sessions.
7. To not wear hats or caps during programs, except where a student may have a religious or closely held belief for doing so.
8. A student bringing any kind of weapon will automatically be dismissed from the program.
9. To not engage in any inappropriate conduct, including sexual activity, while participating in any aspect of the program.
10. To not engage in any illegal activity while participating in any aspect of the program, including possession or use of alcohol or controlled substances without medical authorization.

Students not maintaining these standards will typically be warned and the parents will be contacted. Following a second warning, and upon consultation with the staff, a student may be dismissed from the program. UWM, however, reserves the right to impose discipline as it deems appropriate, including automatic dismissal from the program.

**Parent/Guardian Responsibilities:**
1. To encourage your student to participate and do his/her best - your interest and involvement are crucial to their success.
2. To participate in parent workshops as often as possible. They will provide you with information which will help you and your student. Your involvement sends a strong message to your student that these programs are an important contributor to their success.
3. To provide transportation to and from the program - please be sure that the student arrives on time and is picked up promptly.
4. To communicate with the program in writing about any special needs or circumstances. For example, if a student attending alone needs to leave early, please send a note.

Thanks to all parents and students for your understanding and cooperation in these matters!

I have read and agree to abide by the above expectations for Mini-Courses Saturday Academy.

**Assumption of Risks**

You are being asked to sign this form because you would like to participate in the above-listed event (Mini-Courses) sponsored by the University of Wisconsin – Milwaukee (“UWM”). Before you can participate, UWM asks that you read this document carefully. If you want to ask questions about this document or request changes to it, you can do so by contacting the party listed above.

By participating in Mini-Courses, you are putting yourself at some risk (e.g., harm by other participants, etc.). The specific risks vary from one activity to another, but resulting injuries can range from minor (e.g., scratches and bruises), to major (e.g., fractures and internal injuries), or catastrophic (e.g., paralysis and death). UWM recommends you minimize your risks by carrying insurance (insurance is not provided by UWM).

Please sign here to indicate that you understand that risks are inherent in the Mini-Courses program and you knowingly and willingly accept those risks.

**Waiver of Rights**

In exchange for allowing you to participate in the Mini-Course Program, UWM asks that you agree not to make a claim against UWM if you are injured while participating in the Mini-Course Program, even if your injury was caused by UWM’s negligence. This means you are giving up your right to sue UWM if you injured during the Mini-Course Program. “Injury” refers to injuries to both your body and your property, whether caused by a UWM employee or a third party. You are not being asked to give up your rights in the event UWM acts recklessly or in an intentionally destructive manner.

Please sign here to confirm that you are willing to give up your claims and rights against UWM in the event you are injured (including the right to sue).
