

# UNIVERSITY OF WISCONSIN-MILWAUKEE

TRIO and Pre-College Programs/Mini-Course Program

## SUMMER EXPLORATION CAMP

The Mini-Courses Summer Exploration Camp is a two-week academic enrichment program that reinforces middle school students' reading, writing, math, and science skills. The two-week camp includes a math and science component one week, and a reading and writing component the other week. Summer Exploration Camp includes activities and/or educational field trips where students explore majors and careers, postsecondary options, study skills and work habits. The program will also include various college readiness activities that include, but are not limited to, college panels, career guidance, financial aid workshops and information on college life and resources.

**CAMP DATES: July 22nd-August 2nd**

*Monday-Friday; 9:00am-3:00pm*

### **Week 1: Math & Science** *Exploring Business*

Students will be introduced to math and science concepts and careers by exploring the functions of a business and be introduced to financial literacy. Students will be participating in hands on workshops and educational field trips.

### **Week 2: Reading & Writing** *Exploring Global Goals*

Students will challenge their skills in reading and writing by working in groups to research, design and present final projects highlighting Sustainable Development Goals. Students' work will be showcased on Thursday, August 1st.

Students will be staying overnight in the UWM Residence Halls on Thursday, August 1st!  
Camp will conclude on Friday, August 2nd at 10:00am.

### **IMPORTANT POINTS:**

**Camp will take place in person, on the UWM campus**
