Congratulations on your admission to UWM!

We’re excited to welcome you to the Panther family. Whether you’re here to sharpen your skills or prepare for a career change, you’ve made a great choice.

**UWM Enrollment Checklist**

- **Activate your ePanther account at** [uwm.edu/epanther](http://uwm.edu/epanther). Use PAWS to view your to-do list, finances, holds, academics and more. Your campus ID is on your admission letter, or you can call 414-229-2222. For ePanther ID assistance, contact the help desk at 414-229-4040.

- **Monitor PAWS for your enrollment appointment time, which is when you can register for classes. They post one week before the enrollment period begins.** For courses during UWinteriM, our winter-break academic session, check PAWS in mid-October. For spring, check in mid-November. For summer, check in late March. For fall, check in mid-April. Once open enrollment begins, we do not assign appointments. [uwm.edu/paws](http://uwm.edu/paws)

- **Check PAWS for holds and items on your to-do list. Before you register for classes, take care of any holds or to-do list items on your PAWS account. Most students need to complete the university credit agreement hold under the finances section before registering on PAWS. The non-resident tuition hold does not prevent registration.**

- **Register for classes on PAWS. Go to [uwm.edu/schedule](http://uwm.edu/schedule) to see which classes are offered each semester. Use the advanced search function to find online or evening classes. To register for classes, click on “enroll” under the academics section. If your class has prerequisites, you may need to contact the department or professor for permission. If a class is closed or you do not get added from the waitlist, you can see if the professor can add you to the class on the first day. Please bring a registration change form.** [uwm.edu/registrar/registrars-office-forms](http://uwm.edu/registrar/registrars-office-forms)

- Planning to take online courses? Explore UWM’s web-based learning environment Desire2Learn (D2L) at [d2l.uwm.edu](http://d2l.uwm.edu). Your course(s) will appear on D2L by the first day of class.

- **Get your student ID card. The unique campus ID number that appears on your acceptance letter will also be on your ID card. Use it to access special services and campus offerings. Get your ID at the Panther Card Office, Union 143.**

- **View the required books for your class at** [uwm.ecampus.com](http://uwm.ecampus.com)

- **View your UWM email at** [login.microsoftonline.com](http://login.microsoftonline.com)

- **Learn about campus parking and transportation options at** [uwm.edu/parking](http://uwm.edu/parking). The following services also make commuting easy:

  - **FREE UPASS:** Stop in at UWM Parking and Transit, located in the Union, room WG25, one week before school starts. UWM students get a bus pass for unlimited free rides on Milwaukee’s bus system. You can also use your UPASS at many park-and-ride locations. Online students are not eligible.
  - **B.O.S.S.:** You can call the B.O.S.S. (Be On the Safe Side) transportation service to escort you home after hours if you live within a few miles of campus. [uwm.edu/boss](http://uwm.edu/boss)
