HIGHLY RANKED, AFFORDABLY PRICED

UWM is a one-of-a-kind university, where affordable tuition meets academic excellence. UWM has been named one of the nation’s top 115 research universities by the Carnegie Classification of Institutions of Higher Education. Here’s how we keep things budget-friendly:

- Special pricing agreements with nine states through the Midwest Student Exchange Program: Illinois, Indiana, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota and Ohio.
- Lower nonresident tuition rates compared with many other public universities, like those in Illinois and Michigan.
- More than 80 percent of students receive financial aid.

Additional scholarship opportunities exist for students coming from all 50 states and for international students. uwm.edu/scholarships
