THREE CAMPUSES, ONE UNIVERSITY

UWM recently welcomed two-year campuses in Waukesha and Washington County to its family. Together, the three campuses provide more options for students and their communities.

1. UNIVERSITY OF WISCONSIN-MILWAUKEE

UWM offers research excellence, quality teaching and big-city culture and resources in one college experience. From nearly 200 academic programs that suit any career interest to more than 750 undergraduate research opportunities, UWM will help you fulfill your biggest goals and ambitions. And thanks to UWM’s partnership with the two-year campuses, there’s now more than one path to a great college experience and career.

2. UWM AT WASHINGTON COUNTY

Nestled in southeastern Wisconsin’s beautiful Kettle Moraine region and about a 45-minute drive from UWM, the Washington County campus combines engaging instruction and mentorship with classes and coursework that prepare students for a four-year degree.

3. UWM AT WAUKESHA

Located approximately 30 minutes from UWM, Waukesha’s campus has the charming friendliness of a liberal arts college with the world-class resources of a larger university. Affordable tuition and small class sizes are just a few of the reasons students choose to begin their four-year degree journey here.
WHY WE LOVE UW-MILWAUKEE

Outstanding Academics
Work side by side with your professors on research projects, study abroad for the experience of a lifetime or add a valuable internship to your resume.

Welcoming Community
UWM is a major university that feels like a small campus, so it’s easy to make friends. Join a student-run club, play an intramural sport or check out a few of UWM’s 300+ events.

Valuable Education
UWM offers unmatched value for a life-changing education. Financial aid packages that include work-study and scholarship opportunities, along with price reduction programs such as the Midwest Student Exchange Program, help make studying at our world-class institution a reality.
Exceptional Teaching

Work toward your academic and professional goals with both in-person and online courses that match your interests. Learn in small, welcoming classroom environments from professors who have PhDs or terminal degrees in their field. (The average class has 20 students.) The knowledge and skills you gain at Washington County will contribute to your four-year degree path.

Convenient Choice

Enrolling in the two-year degree program at the Washington County campus helps local students save money thanks to low tuition rates and the ability to receive a fantastic start to a four-year degree while living at home. When you’re ready to pursue a four-year degree, it’s easy to transfer to UW-Milwaukee or another UW System school.

Community Outreach

Be part of both the Washington County campus and the surrounding community by attending a symphonic band concert (made up of both students and community members), volunteering at local festivals and events or attending a community lecture series.
Discover a new passion or dive deep into a longstanding one with more than 30 academic subjects to explore. The strong foundation you build here will continue to serve you throughout your education journey. Plus, Waukesha’s small classes means strong connections with your professors and engaging learning experiences. (The average class has 23 students.)

UWM at Waukesha is a great choice for local students who want a two-year degree or a valuable start to a four-year degree with the convenience of continuing to live in Waukesha. When you’re ready to pursue a four-year degree, it’s easy to transfer to UW-Milwaukee or another UW System school.

There's plenty to do on the Waukesha campus, from athletics to the arts. Join a sports team, try out for a theater production, participate in a music ensemble or be part of any of Waukesha's 30 student clubs.
TWO-YEAR DEGREE AREAS OF STUDY

UWM at Waukesha and Washington County offer more than 30 different course subjects on each campus. As students work toward a two-year degree in general studies, they’re encouraged to study and pursue the topics they’re most interested in.

Waukesha and Washington County on-campus course subjects for 2018-19 include but are not limited to:

- American Indian Studies
- Anthropology
- Art
- Astronomy*
- Biology
- Business
- Chemistry
- Computer Science
- Communication Arts

* Washington County only
** Waukesha only

For a complete list of UWM’s academic programs, visit uwm.edu/academics.
The University of Wisconsin-Milwaukee is three campuses with one mission: to provide a world-class academic experience for students from Wisconsin and beyond. We make it as easy as possible to seamlessly transfer between campuses, so your education fits you. Students take courses they’re interested in at either of our two-year campuses to build a strong foundation for a four-year degree. When they decide to declare a major and transfer to UW-Milwaukee, their academic advisor walks them through the process. Beginning with the Fall 2019 semester, the benefit of already being part of the UWM family is less paperwork and a more convenient, faster route to starting your bachelor’s degree.
FINANCING YOUR TWO-YEAR DEGREE

Start on your college education path at either of our two-year campuses in Waukesha and Washington County. Although students can immediately begin as freshmen at our Milwaukee campus, our two-year campuses are also affordable options.

FAFSA FAST TRACK
The Free Application for Federal Student Aid (FAFSA) is available earlier than ever and now uses tax information from the previous year’s filing.

The 2019-20 FAFSA will become available on Oct. 1, 2018. Apply as early as possible to be given maximum consideration for financial aid. uwm.edu/financialaid

SCHOLARSHIPS, GRANTS AND WORK-STUDY
UWM at Waukesha and Washington County received more than $223,000 in scholarships last academic year. All incoming students are encouraged to apply for 2019-20 UWM scholarships. You also may be eligible for work-study and grant opportunities based on your financial needs.

54% FIRST-GENERATION STUDENTS AT WASHINGTON COUNTY

Pursuing biochemistry and pre-med, sophomore
Delafield, Wisconsin

PLAN A VISIT!

MEET WASHINGTON COUNTY
Sign up for a campus visit, and:
- Meet professors, current students and Washington County alumni
- Attend sample classes and meet with advisors
- Ask questions about our guaranteed credit transfer and financial aid
- Learn about student life and how to get involved

Schedule your campus visit at washington.uwc.edu/admissions/visits.

Register for all of our UWM visit opportunities at uwm.edu/visituwm.

MEET WAUKESHA
Sign up for a campus visit, and:
- Meet current students
- Speak to faculty one-on-one about course offerings
- Attend sample classes
- Meet with advisors
- Ask questions about our guaranteed credit transfer and financial aid
- Learn about student life and how to get involved

Schedule your campus visit at waukesha.uwc.edu/admissions/visit.
Complete the application at apply.wisconsin.edu and list the courses you’re taking senior year.

Pay the $50 application fee.

Have your official ACT/SAT scores and official high school transcript sent to UWM. (ACT scores are required unless you are 21 or older.)

Mail paperwork to:
Undergraduate Admissions
PO. Box 749
Milwaukee, WI 53201

FAFSA Code: 003896 for all Fall 2019 applications.

ADMISSION GUIDELINES

For many programs, new freshmen are likely to be admitted if they have appropriate high school preparation, rank in the top 50 percent of their class or have an ACT composite score of at least 19 (or 980 SAT).

In addition to academic preparation, factors like leadership, motivation and maturity, as addressed in your essay and recommendations, are reviewed and considered. UWM provides broad access to individuals and encourages all interested students to apply.

All freshman applicants under age 21 must submit ACT/SAT scores. Test scores posted on a high school transcript are accepted as official.
