Guaranteed Admission Agreement Between
Gateway Technical College
And

Board of Regents of the University of Wisconsin System on behalf of the
The University of Wisconsin-Milwaukee

Gateway Technical College and The Board of Regents of the University of Wisconsin System on behalf of the University of Wisconsin-Milwaukee agree to a cooperative relationship through this Guaranteed Admission Agreement to better serve students and facilitate the transfer process.

This agreement offers Gateway Technical College students Guaranteed Admission to The University of Wisconsin-Milwaukee (UWM) to complete their Bachelor's degree. Students must meet all of the requirements outlined in this agreement to guarantee their admission to UWM.

1. Academic Requirements

   a. Students have completed 801-136 English Composition 1 with a grade of C or higher at the Gateway Technical College to meet the English proficiency requirements of UWM. Students will not need to submit separate proof of English proficiency at the time of application.

   b. Students must have graduated from high school (as evidenced by a high school diploma or GED) and completed a minimum of 24-30 transferable credit hours and maintained a cumulative grade point average of 2.0 on a 4.0 scale on all transferrable course work taken at the Gateway Technical College prior to admission to the Guaranteed Admission Program.

   c. Students are expected to enroll and complete general education and coursework required for admission into their UWM degree program within three years of initial enrollment in the Guaranteed Admission program with a maximum of 72 credits that will be applied to their baccalaureate degree. Courses numbered lower than 100-level and courses not deemed transferable are not included in this agreement.

2. Admission Requirements

   a. Students must authorize Gateway Technical College and UWM to disclose their educational records, including but not limited to, academics, admission, financial aid,
and advising information as appropriate. By signing such authorization, students agree to allow the two institutions to share information and to allow the student to take advantage of the Guaranteed Admission program. Students may also receive communication from UWM informing them of presentations, workshops, activities, student events, and visits.

b. Students must be in good standing at Gateway Technical College at the time of transfer. Students must adhere to each institution's standard policies and procedures including but not limited to those dealing with admission, enrollment in courses, transfer credits, financial aid, student conduct and discipline, academic probation, dismissal, and reentry.

c. Admission to the Honors College at UWM is by invitation only. The Honors College reviews applications at the time of admission and will invite eligible students to participate.

d. During enrollment in the Guaranteed Admission Program, UWM will provide advisors to students to discuss academic program requirements and transfer credit policies. It is recommended that students track their degree progress by working with their transfer advisor at the Gateway Technical College and UWM.

e. Students are eligible to transfer into more than 60 undergraduate degree programs at UWM. See Appendix A for full list of eligible programs. The degree programs in Architecture, Engineering, and Nursing have higher GPA requirements than the 2.0 GPA of all other programs. Arts programs have an additional application process to be considered. See Appendix B for specific program requirements.

f. Students may also qualify for UWM scholarships. Though no scholarships are guaranteed, students can visit scholarships.uwm.edu to see a list of all scholarships available for consideration.

3. Other Terms

a. Failure to meet the above requirements does not preclude students from applying and being considered for admission to UWM using the traditional admission process.

b. Gateway Technical College will publish this document on their website so that the details of this agreement are available to students interested in participating in the program. UWM and Gateway Technical College will have the right to review and approve all advertising for the Guaranteed Admission program.
c. This agreement is in effect for five years and will then be up for review. Any changes to the program in regards to any part of this agreement must be made in writing so that this agreement can be re-evaluated and amended, as necessary. Notice of changes shall be provided at least 180 days prior to the first day of instruction (at both institutions) in the academic year in which the change will be implemented.

d. Should the program be discontinued, students who are participating at that time will be guaranteed transfer into UWM provided they satisfy all program requirements.

e. Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement. Failure to maintain accreditation required by the specific academic program(s) referenced in this agreement will be the grounds for exclusion of that program from the agreement.

Philosophy
Physics

**Appendix B**

**Architecture:**
The minimum GPA needed for admission into Architecture is a 2.5 in 24 transferable credits. Architecture is a competitive and selective major, so meeting the minimum does not guarantee admission into the program.

**Engineering:**
The minimum GPA needed for admission into Engineering is a 2.5 in 12 transferable credits, and must include Calculus with a C or better.

**Nursing:**
The minimum GPA needed for admission into Nursing is a 2.5 in 15 transferable credits with a B or better in a transferable science class.

**Arts:**
Art & Design: A portfolio is required for entrance into the Art & Design major.
Dance, Music, Acting and Musical Theatre: A successful audition is required for entrance into these majors.
Transfer Planning Guide – Gateway Technical College

Admission Guidelines

If you have completed 12 credits of transferable course work you will be considered for admission based on a review of your college records. If you have fewer than 12 transferable credits you may be considered for admission based on a review of both your high school and collegiate records.

Most admitted transfer students have a cumulative GPA of 2.0 or greater on all transferable coursework. Competency in English and mathematics is an important factor in the admission decision.

Please note that some selective programs (Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering, College of Nursing) may have additional requirements for direct admission into their majors.

The Transfer Planning Guide is to be used for the completion of General Education Requirements (GERs) at the University of Wisconsin-Milwaukee. GERs must be completed by all UWM students, regardless of major.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at GTC.

We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

Transfer Advisor Contact Information

Joel Buschmann
Email: buschma2@uwm.edu
UWM Office Phone: 414-229-4318

UWM Office (UWM Vogel Hall, 3253 N. Downer Avenue, Milwaukee, WI 53201)
Hours: MON, TUES and FRI (8 AM-4:30 PM)

GERs include two major categories: competency and distribution. Competency requirements are designed to assure proficiency in oral and written communication (OWC) and quantitative literacy (QL).

Distribution requirements are designed to provide students with a broad body of knowledge in the areas of diversity, foreign language, arts, humanities, natural sciences and social sciences as a foundation for specialization.

The foreign language requirement must be fulfilled by one of the following options:

- Two years of one language in high school with a grade of C or better in the second year of the language.
- Two college semesters of one foreign language from an accredited institution. (GTC’s 802-124 Spanish 1 and 804-125 Spanish 2 meet requirement)
- Demonstrate foreign language ability by means of a satisfactory score on an approved placement, proficiency, departmental or other appropriate examination. Some majors on campus require more foreign language to meet graduation requirements. Contact your Transfer Advisor to discuss specific major requirements.

A list of possible courses to meet the distribution requirements in diversity, arts, humanities, and sciences are provided on the back side of this handout.

Please note that the course list below is not meant to be exhaustive. There may be additional GTC courses which are transferrable and meet GERs. Please utilize our Transfer Equivalency Database (TED) and/or contact a Transfer Advisor to review any coursework not listed below: ted.uwm.edu. Please talk to UWM advisor about which specific coursework may apply to your degree of interest.

I. Arts

(3 credits in at least one course)

No course offerings at GTC

II. Humanities

(6 credits in at least two courses)

304-118 Art History, 801-198 Speech, 804-133 Mathematics and Logic, 809-166 Intro to Ethics: Theory & Apps

III. Social Sciences

(6 credits in at least two courses [CD indicates Cultural Diversity])

102-137 Intro to Business, 801-196 Oral/Interpersonal Communication,

809-128 Marriage and Family, 809-143 Microeconomics, 809-151 Psy of Human Relations,

809-159 Abnormal Psychology, 809-172 Intro to Diversity Studies[CD], 809-188 Developmental Psychology, 809-195 Economics, 809-196 Intro to Sociology, 809-198 Intro to Psychology, 809-199 Psychology of Human Relations
IV. Natural Science (6 credits in at least two courses; at least one course with a lab [+ indicates lab])

General Biology, 806-134 General Chemistry, 806-140+ Microbiology, 806-143+ College Physics 1,
806-154+ General Physics, 806-169 Energy in Nature, Tech & Soc, 806-172 Basic Nutritional Science,
806-177+ General Anatomy and Physiology, 806-179+ Advanced Anatomy and Physiology, 806-
184+ Plant Biology, 806-186+ Intro to Biochemistry, 806-197+ Microbiology
