

UWM Peck School of the Arts Space Requests

In order to request space in the facilities managed by the Peck School of the Arts (PSOA), Student Organizations must contact the UWM Union REPS department directly. The PSOA does not accept requests directly from student organizations. UWM Union REPS can only request space for UWM Student Organizations; UWM campus departments must directly request space with the PSOA.

Once a request has been processed by the UWM Union REPS department as well as the PSOA, Student Organizations will be contacted by REPS in the form of an e-mail with a space confirmation attached.

Student Organizations must meet with the staff of the PSOA to facilitate planning events in Peck School spaces. Student Organization will be billed for the use of resources, labor, and space rental in PSOA spaces.
